Coaching success

D Adjei-Hersey was amongst a select few to take part in a coaching session with Eddie Jones, England rugby coach. Jones spent the day at AFC Wimbledon last week putting players and coaches through their paces. It was 'inspirational' according to D Adjei-Hersey!

A quick guide to help you support students improve their spelling.

If you're not sure how to spell a word don't just guess, use a spelling strategy instead.

1. Sound out the word
Are there words inside a word?
E.g. **hospital**
2. Is there a memory aid for the word? E.g. a shirt has one **collar** and two **sleeves: necessary**
3. Don't get caught out by unstressed letters in words like: **library**, **Wednesday** and **February**

NCOP GOLDSMITHS TRIP

On Thursday last week I had the pleasure of taking three year 12 students to Goldsmiths University to experience a day at a university and understand the application and decision process around UCAS. After a motivational talk regarding how to choose a university we were split into two groups to have a taster session in either computing or art. Our boys decided to all take part in the computing workshop and threw themselves into coming up with new ways of implementing technology into our everyday lives.

The day included a fantastic opportunity to look around the university and mix with some undergraduates during lunch followed by a Q&A with the student support team and the student ambassadors who were responding to some very thorough questioning from the students present.

It was a fantastic opportunity for the boys involved and thoroughly informative for all the students involved

Parent Governor Vacancies

The Governors would like to invite any interested parent to apply for a vacant Parent Governor position at our school. Being a Governor of a school is a challenging yet hugely rewarding responsibility to undertake. Anyone who is elected as a School Governor will have the opportunity to strategically support and challenge the school in order to secure the best possible outcomes for our children.

If you would like more information regarding the role of Parent Governor please see the website or alternatively contact Jo Long, Clerk to the Governing Body (jlong@carshaltonboys.org).
