

Summer Term 2017

The Summer Term commences on **Tuesday 18 April 2017**. Students must be in school by 10:30. Lessons will commence from Period 3 and it will be Week 1 (Gold Week) of the timetable.

Highlights from GCSE Drama Practical Exams 2017

Thursday 23rd March

Some of our year 12 students attended an Oxbridge conference at Epsom Downs Racecourse on Thursday 23rd March. The event was designed to give them a greater insight into the application process. Workshops included information on 'Making a Competitive Application' and 'Student Finance and Careers'. In addition to this students were able to tailor-make their day to attend subject sessions on a wide range of subjects from Law and Economics to Biomedical Sciences, Natural Sciences and Mathematics. Feedback from the day was very positive. Students found that it gave them a real understanding of the competitive nature of Oxbridge applications but also many tips to help them on their way. Other students commented it made them consider different courses and gave them a greater insight to the various stages of the application such as entrance exams and interviews. A very useful and informative day for all involved.

Year 7 and 8 Rewards Trip

48 boys across year 7 and 8 went to Thorpe Park on Tuesday. These boys were selected for their hard work, dedication and conduct towards their studies and school life. A great time was had by all the boys, with queuing times of only 10 minutes instead of 2 hours meaning that they were able to experience all of the rides as many times as they liked. This opportunity was also taken by Mr Samspon and Mr Wise who were the only ones late back to the meeting point. Tutt, tutt!!!!!! Some of the boys even had the pleasure of meeting Marcus Rashford and Jesse Lingard who were strolling the park. Thank you to all the staff involved in a successful day. Paul Lambert

Disability Awareness Week

This week the PE department have hosted Disability Awareness week in support of Autism Awareness week through enrichment and within lessons for year 7. Students took part in a range of Paralympic sports including boccia, goalball, seated volleyball, blind football, new age kurling, table cricket and adapting activities within the fitness suite. Pupils engaged in class discussions before and after their selected sport. The week was a great success, both changing attitudes and behaviour towards individuals whom may have a physical or mental disability.

Year 9 shall be experiencing the Paralympic sports after half term.

Thank you to all staff who supported this event.

CBSC Students Called Up For International Duty

After months of hard work, training, trials and travel all over the country it was D-day for selection to the England U16 handball team due to travel to Denmark in the summer for an international competition. Several of our students had been involved in the Regional Academy squads and rightfully so a number have now been given the opportunity to represent their country. Rob Damianou, Grant Viljoen (both pictured) along with Olly Thompson have been selected in the U16 squad to travel to Denmark in July after attending a holding training camp in The Midlands.

In addition to this, Dan Buguks (too old for the U16 squad) has been selected to play in an England Lions team travelling to another European tournament in the summer (location TBC).

Please pass on congratulations when you see the boys

Brendan

Primary Handball Festival

On Wednesday this week CBSC hosted another amazing sports events for some of the boroughs primary schools. This time handball took centre stage with over 100 students from 6 different schools taking part. The first part of the day saw a skills workshop with passing, shooting, dribbling, mini handball, an obstacle course and a rules station. This was then followed by lunch where the primary school children had the opportunity to watch our top U16 and U18 students take part in a high intensity training session led by England Handball's national performance manager Mark Hawkins. The students then put their skills to the test with a round robin tournament in the afternoon. Feedback from all the schools was amazing with a massive thanks going to the staff and Y10/12/13 students who helped on the day.

Year 10 and Year 11 NCFE Graphics exam.

Thank you to everyone who supported the NCFE graphics boys over the last half term with their exam. Students were asked to design and develop a logo for a new café named 'afternoon tea'. Here is some of their final designs.

Construction

Year 10 Construction students visited BAM Construct UK Ltd. At Rydens Enterprise School through the Open Doors programme. They were given a tour as an introduction to real life construction projects, including modern techniques such as concrete that does not require further finishing. They were shown around and taken through the stages to be followed, including who is needed on site and at what stages throughout the project. They could also see the range of careers that could be followed in addition to those studied.

Also they were taken through some of the Health and Safety consequences of accidents and the role of the HSE.

As always the boy's attitude and behaviour were impeccable.

Sports Results

Year 8 Rugby – Kingsdale 45 vs 5 Carshalton Boys

Year 8B Football Tournament – Beacon 0 vs 0 Carshalton Boys

Year 8B Football Tournament – De Stafford 0 vs 2 Carshalton Boys
