Basketball Referee and Table Official Course

CSBC hosted the Basketball Level 1 Referee and Table official course on Wednesday. The course was attended by both teachers and students from both CSBC and Woodcote High School. The course enabled both students and teachers to progress their previous knowledge and experience.

The boys from CSBC were fantastic and made such a great impression on the day. All participants have been invited as guests to attend a London Lion`s game to see how they can relate their learning to real life elite fixtures.

I look forward to seeing all the boys in action as they utilised their qualifications to support the school with fixtures over the academic year!
