

Year 9 Football Team Success

The year 9 football team beat Coombe Boys 6-3 to win the Surrey Cup. This is the first time Car Boys have won the Surrey Cup in 20 years! The boys will be joining us in briefing tomorrow morning. This completes a treble for the boys after already winning the league and Sutton cup... They go for the quadruple in the London Cup Final on Thursday 18 May.

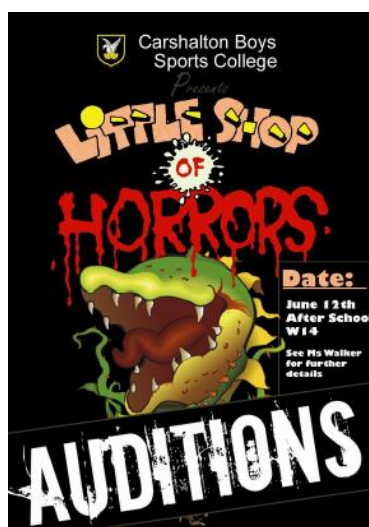

CBSCPOWER meeting with Tom Brake

Last Friday Tom Brake came in to take questions from our POWER Reps. The focus of the Student Council meeting was funding cuts to education and students asked 12 prepared questions that had been sent through from Tutor Groups. They then had the opportunity for approx. 20 minutes to ask non-prepared questions about issues that concern them. There were some excellent questions posed by the boys and mental health and CAMHS, St Helier hospital, fly tipping, university fees and bins were all included, to name but a few! Thanks to everyone who came along and provided questions for the meeting.

Miss C Stevens and Miss H Bishop, on behalf of POWER

Little Shop of Horror auditions coming soon.... Watch this space!

Sutton Supremos

The Sutton Supremo's were out in action on Wednesday 10 May 2017 at Purley Sports Club officiating at the year 3 & 4 borough competition. Each of the Supremo's led their own court organising the teams/players who should be playing, coaching pupils on the correct technique to return or serve the ball, recording the score of each game played. In addition to officiating the games the Supremo's were fantastic role models for the pupils, encouraging sportsmanship with a shake of the hand between players at the end of the game and encouraging resilience, especially when some players were going to give up! Well done to the Sutton Supremo's.

Congratulations to the following Supremo's for the continued contribution to local community sports.

National Collaborative Outreach Programme

I will be hosting a launch for this programme with the students involved during **period 1 on Tuesday 16 May in the study zone**. Apologies for any lessons to be missed.

The National Collaborative Outreach Programme aims to support young people in England to progress into higher education (HE). It will run from 2016-17 to 2019-20. . I have worked closely with Heads of Year to identify the students to be involved. Several students across Year 9-12 have been selected.
