

## BUGSY MALONE

Alan Parker's classic *Bugsy Malone* has been re written and re mastered for the 21st century. The performance follows the warring gang land kingpins Fat Sam and Dandy Dan as they fight it out for gang supremacy in the clubs and on the streets of downtown New York. While the performance maintains many of the classic musical numbers including Fat Sam's Grand Slam, Ead Guys and So You Want to be a Boxer it also includes contemporary music from the likes of Will i am and Beyoncé. We have drawn on our talented actors, singers, rappers, dancers and media stars to shape *Bugsy Remastered* in our most ambitious production to date. The cast is composed of over 70 students from Year 7 through to 13 and celebrates the immense talent of our students.
