

# Big Thinking!

## GCSE Music

**Task:** Learn as much as you can about the history of popular music. Present your research as a document with information about genres, artists, decades, which styles influences other genres and the social/political context of popular music through the ages.

**Task:** Research Bhangra music and present your findings to the class in September.

**Task:** Make a practise diary over the holidays to show how you have made progress on your instrument. You could include video or audio footage to support this.
