boX clever

On Monday 150 students from Years 8 – 10 watched Box Clever's adaptation of Romeo and Juliet. The performance fused Shakespearean and contemporary language alongside the use of music and physical theatre to convey the key themes of love and conflict.

Year 7 100% attendance and 0 behaviour point rewards - sweets and movie afternoon

I'm really proud of all my year 7 students who have made it their mission to settle into the CBSC family. We have celebrated some of their successes this week with a small token of my appreciation to their dedication and commitment to school like. Keep up the hard work chaps! Miss Bishop.

London Youth Games GCSE Drama student's commendation

Last summer a group of GCSE Drama students took part in a series of 12-week Pineapple dance / movement workshops. The created work was so good I entered the boys into the London Youth Games local region dance competition.

Please see the wonderful comments made about our year 10 GCSE boys.

"Judge 2: *This piece deserves a special mention. It is difficult to compare it to other entries with regards to dance technique and boys' dance skills. Based on dance technique only, it would need to be scored lower than the other pieces. However, the concept, the execution, the boys' performance & acting skills are excellent & altogether created a very enjoyable & interesting performance. I suggest a special prize or commendation."*

So proud that their obvious talent in drama shone through their performance. Commendations and certificates will be given to these hardworking young men!

Year 8 Reward- Games Afternoon

30 Year 8`s were invited to the year 8 games afternoon reward on Friday 8th March 2019. Students were invited based upon their improvement to attitude in school. Students have been reminded, we all make mistakes and it's important we learn from our mistakes and prevent making the same mistake again. These students are still on their own learning journey and are all aware they still need to continue to work on hard to achieve their best.

Lewis Jones (8F)- *I think it is amazing that we have been given a second chance and it gives students a reward and we wouldn't have been able to change our ways without discipline when where in the wrong but also praised for when we do well. Carshalton boys has changed my life since I've first started, I have made new friends, been taught manners and most of all it has made me a better person today. None of us would be here today with all the knowledge without the teachers help, all of our teachers will always help us if we are struggling or are just there to make us feel better. I love Carshalton boys because how everyone has made me feel and I can't wait for what I can learn and achieve in the future!*

A big well done to all students whom were invited to this reward.

The next year 8 reward period will be Footgolf on Friday 29th March 2019 this reward will be based upon achievement points
