

## Christmas Market and Charity Hampers

Each Christmas the Art department run a Christmas market in the café from 3.30 – 5.30pm, this year it is on December 11<sup>th</sup>, prior to the Performing Arts show.

As part of this event we raise money for a local charity, this year's charity is St Raphael's Hospice in Cheam.

If you are able to could you please donate a nice food item or nice toiletry item which will be made into hampers and raffled off at the Christmas Market.

Donations can be given to me on B08.

Thank you for your support.

Lauren Avery

## Architect visit

On Tuesday 26<sup>th</sup> November, a group of wannabe Architects had the chance to visit the offices of Fraser Brown Mackenna Architects in Featherstone street, London. They listened to a presentation about the roles and responsibilities of an Architect, given by one of the Directors of the business, Andrew Bacon. FBM have close ties to the school as they have worked with us on the building of the Maths and English learning zones. The boys were also invited to a CPD session delivered by EUrban, a company that specialise is manufactured offsite timber buildings, and got a free lunch to boot! It was an excellent experience, especially for those boys with Cambridge University interviews for Architecture in the next few weeks.

Phil Brittain

## Year 10 Fieldtrip – Sutton High Street

Over the last fortnight 120 geographers conducted their compulsory element of their human fieldwork in Sutton High Street. The boys were fantastic and well behaved on public transport and conducting themselves around Sutton High Street. The boys had to record land use, environmental quality and speak to members of the general public. Thank you to the geography team, and admin team who helped out massively.

The Geography Department

4th March - Debate Higher Session 2 (y9) Royal Veterinary College  
Monday 24th Feb - Year 12 UCAS Convention

## **Year 9 Turnaround Reward- Movie & Pizza afternoon**

Thirty year 9 students were invited to the year 9 movie reward on Friday 29<sup>th</sup> November 2019. Students were treated to watching a Christmas film, while snacking on pizza and doughnuts. Students were invited based upon their improvement to attitude to learning either inside or outside of the classroom. Students have been reminded, we all make mistakes and it's important we learn from our mistakes and prevent making the same mistake again. These students are still on their own learning journey and are all aware they still need to continue to work on hard to achieve their best

**A big well done to all students whom were invited to this reward.**

The next year 9 reward will be the games bus on Thursday 12<sup>th</sup> December 2019 this reward will be based upon outstanding attitude to learning across all subject areas.
