First Give School of the Year.

Well done to everyone involved in making Carshalton Boys First Give's School of the Year! A group of year 9 students went to Cardiff for the award ceremony and represented the school exceptionally.

Before the ceremony, the boys had some time to explore Cardiff visiting Cardiff Castle and the famous Principality Stadium.

The award ceremony was held in the Cardiff Assembly building on the beautiful Cardiff bay. Here, the boys competed in the soapbox challenge before Aaron Lott went on stage to receive the award for School of the Year. It was a fantastic evening and it is great to see our boys being praised for their charity work efforts.

CBSC Student POWER

The first POWER student council meeting of the year took place on Thursday during PSHCE. Thank you to tutors for sending your reps down. It was a real success and around 100 reps attended, as well as two tutor groups who were part of the 'public gallery' and observing the discussions. The first meeting focused on CBSC's rewards system and there were lots of good suggestions about what rewards we could consider using to recognise good behaviour, effort and achievement.
