

University of Sussex Y7 Taster Day

Miss Bishop, Mr Wyatt and Mr Moorthy took 40 year 7 students to the University of Sussex to get a taste of a range of subjects that university has to offer. Here is what some of the students had to say about their day:

Alex – 7W

I really enjoyed the trip and was surprised to see the amount of separate buildings. Also, I was happy to know about the different subjects on offer

Toby – 7N

I really enjoyed the University, it was cool. At first I didn't think I would like to be a university student, but now I've changed my mind about it. I really enjoyed Physics as it was interesting and loved it the most!

Jacob – 7N

I think that the trip was fun and interesting for we did things that we wouldn't do at school. My favourite but was the robot controlling, even though ours didn't quite work!

Harry – 7N

I really enjoyed the trip to the University of Sussex yesterday. It was very big and very fun there. I enjoyed the History lesson on Star Wars because I like Star Wars and it was very interesting. I also enjoyed the Robotics lesson because we had to control a robot using code to get around a maze. My group was first to the middle.

Charlie M – 7N

I liked the lecture theatre because it was enormous. I also liked the Physics lesson because we learnt how to communicate through light!

U19 Surrey Basketball Cup Final- CBSC COUNTY WINNERS!

Over the last two years the U19 CBSC basketball team have shown excellent **teamwork**, **determination** and **resilience**. They have narrowly missed out on the finals over recent years losing by 1 or 2 points in the semi-finals. This year their hard work and drive enabled the team to bring home the GOLD trophy.

On Friday 15th March 2019, the U19 CBSC basketball team played in the Surrey Basketball U19 Cup Final fixture. The team watched two other year group finals before they went onto the court at Surrey Sports Park. The team remained calm as they started to warm up together and then the two minute whistle was heard. The team came off the court to receive a final few words from their captain and Miss Hendle (No injuries and No Fouls) with a team cheer of " HEART" the game started. CBSC started off really strong, leading in the first quarter by 17-5 and built on this within each quarter. The final score ended as 66-47. CBSC celebrated their win and collected their gold medals in the medals ceremony led by the Chairman of Surrey Basketball Bob Chappell. The officials complimented our boys at the end of the fixture by saying ***"Out of the 6 students we have officiated today your school were politest and most respectful out of the all the schools. Whenever we made a decision which was even against your school, the boys listened and respected us. A big well done to them."***

Please congratulate the following players on their great win and outstanding sportsmanship which they demonstrated!

1. Adam Fontinelle
2. Alvin Gasangwa
3. William Longmatey
4. Anmol Pun (**Vice-Capt**)
5. Achish Quansah (**Capt**)
6. Farhan Ponnudurai
7. Joshua Sematimba
8. Imeth Thuyyahandi
9. Kevin Nicholas Macdonald
10. Jay Lawrence
11. Manuel Papilson
12. Reece Palmer

Sutton Supremo's- Cycling Event

The CBSC Sutton Supremo's supported at the Sutton Borough Primary Schools Cycling Championships on Wednesday 13th March 2019 at Northey Avenue playing fields. Students were selected to help marshal and officiate the event. Students received outstanding feedback from Tracey from the Sutton School Partnership team: ***The boys were absolutely superb at the cycling event. They did all their marshalling duties very well and stayed on task during a long and blustery afternoon and even undertook extra jobs that they hadn't been asked to do! I had lots of compliments about them from the Sutton Cycling Club volunteers and organisers. They were superb representatives of the school. They were rewarded at the end with their own race!***

Please congratulate the following students when you see them.
