In order to receive the bursary students/parents must complete the application form enclosed and provide supporting evidence of meeting the eligibility criteria. Forms should be returned to Sharon James, 6th Form Administrator as soon as possible with supporting documentation. The Bursary Awards Panel meets in late September to agree the allocation and distribution of the bursary. It is important to note that the bursary fund is limited and once fully allocated it will not be possible to allocate further funding. Please note that the amounts listed in the table above are subject to change due to the demand for bursary allowances in each academic year.

Free School Meals documentation is also enclosed in this enrolment pack. Please complete and provide relevant documentation if you are eligible. There is a meeting in September for all students who meet the eligibility criteria to discuss distribution and use of the bursaries.

Students who meet the criteria for the vulnerable person's bursary will be invited to a meeting in September to discuss distribution and individual needs.

Please do contact me if you require further information regarding the bursary process.

Yours sincerely
