

Carshalton Boys Sports College

NEWSLETTER

'Safeguarding the rights of others is the most noble and beautiful end of a human being.' Khalil Gibran

February 2024

Dear Students, Staff, and Parents & Carers,

As you know, the well-being of our students is at the heart of everything we do here at Carshalton Boys Sports College. However, it's no secret that mental health challenges are affecting young people across the country, and our school is not immune. This is a complex issue with various contributing factors, including academic pressures, social media, and the ongoing impact of the pandemic. We want to assure you that we are committed to providing a safe and supportive environment where students feel comfortable seeking help and navigating challenges.

We have several initiatives in place:

Dedicated Pastoral Care Team: Our trained staff are here to listen to students' concerns and offer personalized support. They work closely with other professionals, including counselors and family liaison officers, to ensure a holistic approach.

Mental Health Awareness Activities: We integrate mental health awareness throughout the curriculum and school events. This includes workshops on resilience, mindfulness, and coping mechanisms, empowering students to take charge of their well-being.

Early Intervention: We actively identify students who might be struggling and offer early intervention measures. This could involve individual support, group sessions, or access to external resources.

Parent-Teacher Communication: We recognise the crucial role you play in your child's well-being. We encourage open communication and regularly share information about support available and how to spot potential signs of struggle.

Here are some things you can do to support your child's mental health:

Talk Openly: Create a safe space for open and honest conversations about emotions and challenges.

Listen Actively: Pay attention to their concerns and validate their feelings without judgment.

Promote Healthy Habits: Encourage regular exercise, healthy eating, and adequate sleep.

Be Mindful of Technology: Set boundaries around screen time & encourage activities that promote relaxation and social interaction.

Seek Help When Needed: Reach out to us or external professionals if you're concerned about your child's mental health.

Remember, you are not alone in this. We are here to support you and your child every step of the way. Please don't hesitate to contact your child's form tutor, Head of Year, or pastoral team member if you have any questions or concerns. We believe that by working together – school, families, and external support networks – we can create a supportive environment where all our students can thrive.

Have a wonderful half term break

"What's your best discovery? asked the mole"

"That I'm enough as I am" said the boy

Children's Mental Health Week **HERE4YOU**

Here4You

As part of Children's Mental Health Week, our students participated in the Here4You Broadcast by Roman Kemp. This formed part of our Assemblies and tutor time and students discussed this during tutor time.

[You will find the full broadcast HERE](#)

The broadcast is aimed for children aged 11-14.

The focus of the Assemblies, delivered by Mr Avery, was 'MyVoice Matters'

Mr Avery will be sharing regular support to both parents/carers and students over the coming weeks via Class Charts.

If you have any questions or concerns about your child's wellbeing and mental health, please email or call Mr Avery (Designated Safeguarding Lead) pavery@carshaltonboys.org or speak with your child's relevant Pastoral Team

Kooth

Kooth is an online wellbeing community.

They also have Podcasts providing support and guidance as well as lots of support via their website.

Please find the latest information from Kooth [HERE](#)

Directions & Destinations Day 2024

Friday 8th March is our annual careers event: **Directions & Destinations Day**. Students in every year group will have a different plan for the day. You will have received some communication from school this half term about the plans for your child/children. If you have any questions, please email contact@carshaltonboys.org

Below is a brief overview of what each year group are doing. Please refer to the letters sent to you for more details. Further reminders will be communicated home after Half Term

Year 7

Year 7 students will participate in an important careers event which will enable them to :

- Understand how school subjects link to future careers
- Look a jobs, careers and courses
- Log onto, upskill and explore our new careers platform - Unifrog. You can find out more about Unifrog [HERE](#)

Key Information

- Normal timetable / rooming and lessons have collapsed
- Students will attend later and report to the registration room where they will spend the morning with their tutor undertaking a range of careers based activities
- Students will need wear full school uniform, including school shoes
- **No food on site for students. Free school meal vouchers are being sent home on Thursday 7th March.**

Event	Time
Register	9.45
Session 1	10am - 10.45
Session 2	10.45 - 11.25
Session 3	11.25 - 12.15
Plenary	12.15 - 12.30 (then dismissed)

Year 8

Year 8 students will participate in an important careers event which will enable students to :

- Understand how school subjects and GCSE options link to future careers
- Look a jobs, careers and courses
- Log onto, upskill and explore careers platform - Unifrog
- Attend Careers Exhibition at CBSC - Employers, Colleges and Universities hosting stands
- You can find out more about Unifrog [HERE](#)

Key Information

- Normal timetable / rooming and lessons have collapsed
- Students will attend later and report to the registration room where they will spend the morning with their tutor undertaking a range of careers based activities (Exhibition, Options Workshop, Unifrog Workshop)
- Students will need wear full school uniform, including school shoes
- **No food on site for students. Free school meal vouchers are being sent home on Thursday 7th March.**

Event	Time
Register	9.45
Session 1	10am - 10.45
Session 2	10.45 - 11.25
Session 3	11.25-12.15
Plenary	12.15-12.30 (then dismissed)

8A, 8N and a selection of students in our CARE Prog, have slightly different timings. This will be confirmed in your letter

Directions & Destinations Day 2024

Year 9 & 10

On 8th March, Year 9&10 students will participate in an important careers event which will enable students to :

- Interact, in person with University Ambassadors, College Tutors and Admissions Team, Trainers, Employers and Professionals at a careers exhibition
- Ask questions, engage in discussion, meet professionals and make connections
- Explore the whole range of Post 16 & Post 18 Progression routes
- Experience a chosen workshop and benefit from employer and professional engagement

Key Information:

- All lessons are cancelled on the 8th March and students will attend **one** workshop and the careers exhibition
- The registration time on the 8th March will be determined by the workshop students chose.
- Students will receive a **D&D plan just after half term** which will include registration time, exhibition slot and workshop allocation
- Registration is in the main hall
- Students must wear full school uniform, including school shoes
- No refreshments on site

Sessions	Description
Careers Exhibition	Visit stands, talk to a range of university ambassadors, college tutors, trainers, employers and professionals
Careers Workshop	Immerse yourself in your chosen workshop, benefitting from the experiences and skills of an industry professional

Registration is in the MAIN HALL, at the allocated Session Time.

- Session 1 Registration: 9.30
- Session 2 Registration: 11.00

Students MUST arrive on time

If you have any questions about Directions & Destinations Day, please email contact@carshaltonboys.org or ask your child to speak to their tutor or Head of Year.

Directions & Destinations Day 2024

Year 11

- Year 11 will have a study and intervention day
- Students will be assigned to a variety of sessions in school, either working with a teacher or completing independent study with the Year 11 team
- Full details of the day will be shared with parents/carers after half term, including details of individual intervention sessions on the day
- The Year 11 team will run a study hub in the H Zone from 9am – 1pm on the day for any students who would like to complete further independent study at school when not in a designated session

There will be no catering on site on this day, students will need to bring a packed lunch if you are invited to work on site. Free School Meals students will receive their vouchers on Thursday 7th March.

Sixth Form

Year 12 students will participate in an important careers event which will enable them to :

- Interact, in person with University Ambassadors, College Tutors and Admissions Team, Trainers, Employers and Professionals at a careers exhibition
- Ask questions, engage in discussion, meet professionals and make connections
- Explore the whole range of Post 18 Progression routes
- Experience your chosen workshop and benefit from employer and professional engagement

Key Information:

- All lessons are cancelled on the 8th March and students will attend **two** workshops and the **careers exhibition**
- Your registration time on the 8th March will be determined by the workshop they chose.
- They will receive a **D&D plan just after half term** which will include registration time, exhibition slot and workshop allocation
- Students must be smartly dressed
- No refreshments on site

Year 13 Students

- Are allocated a **Leadership Role**. Details to be published this week. Students will receive communications from Mrs Cowell / Mrs Ellis about this
- We encourage Year 13 students to also attend to exhibition during the morning.
- This is a compulsory event and your contributions are vital to the smooth running of the event.

Sessions	Description
Careers Exhibition	Visit stands, talk to a range of university ambassadors, college tutors, trainers, employers and professionals
Careers Workshop	Immerse yourself in your chosen workshop, benefitting from the experiences and skills of an industry professional

UCAS & Aimhigher

Lead: Ms Ellis

L.Ellis@carshaltonboys.org

UCAS Year 12 & 13

This Year's UCAS cycle is now complete!

87 student applications have been sent off

The majority of students have had at least one offer and 46 students have had all their replies

We have a student who has been offered to read Chemistry at Oxford too!

There is a wide range of courses and university being applied for and our Y13 students have a very exciting journey ahead of them.

A huge thank you to everyone involved in supporting students along the way. This is a really exciting journey for our students and for many of them, it will be life changing.

Aimhigher London, in partnership with St Mary's University, are offering parents a free, online, one hour information webinar, Simplifying University.

It takes place on the evening of 27th February, 6pm - 7pm and the flyer, with registration link, is attached. Alternatively, parents can register by emailing me their name & the school they are associated with.

It is aimed at Year 12 parents but all who want some extra information are welcome, including students & teachers. It could be particularly helpful for Year 11 parents who want reassurance that university is a viable option. The topics covered are below.

The session will cover:

Part 1

- Choosing a Course
- Choosing a Uni
- Perspectives from both live in and commuter students
- Hear from a parent who's been through the process
- Careers & Future Prospects
- Transferable Skills
- How & Where to Research.

Part 2

- Uni Finance
- How the Process Works & How to Apply
- Extra Help & Additional Funding
- Debt & Repayment & Why no one should worry about it
- Key expenditure for uni students
- Income & Budgeting
- Helpful Takeaway Links & Resources.

Interested in the event? Scan the QR code on your phone or follow the link [HERE](#) or email j.marcham@kingston.ac.uk

This Year in English

Head of Dept. Oli Wilson-Hughes
owilson-hughes@carshaltonboys.org

Year 7: War Poetry

This unit incorporates important history context to go alongside a range of poetry written for a range of purposes: to criticise war; to encourage men in WW1 and WW2 to join the war effort; and poetry written by soldiers to explore their war experiences. Y7 will be learning and utilising key poetry subject terminology to explore their understanding of poetry across a range of purposes.

Year 8: Romeo & Juliet

Y8 are building on their prior poetry analysis skills to apply this to a reading of Shakespeare's Romeo and Juliet. The aim of this unit is to break down the barriers of language and foster an enjoyment of Shakespeare's plays. To prepare for their Y9 study of Macbeth, they will be focusing on the tragic hero and the structure of Shakespeare's tragedies.

Year 9: The Woman in Black

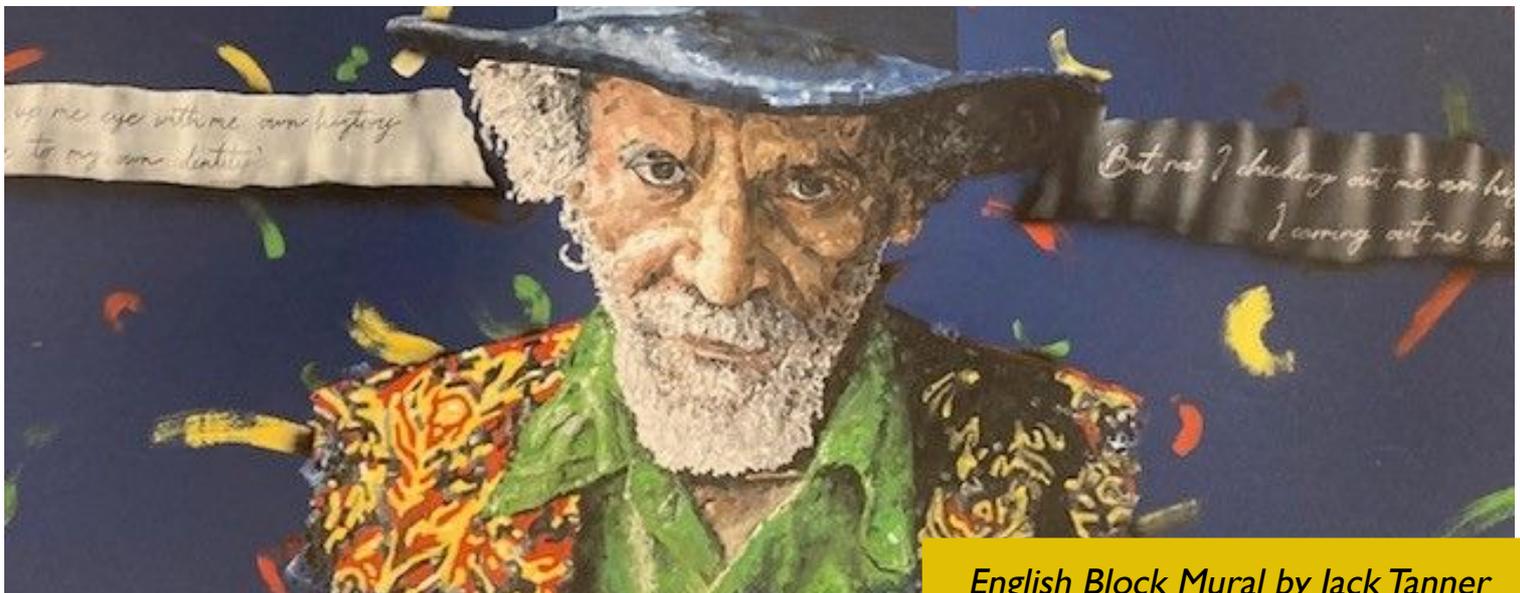

In order to lay a foundation for the Victorian Gothic elements of A Christmas Carol, Y9 will be reading The Woman in Black. With a huge focus on analysing how the writer creates effect and atmosphere, Y9 will also be honing their creative writing skills, ready for their GCSE English Language assessments.

Year 10: An Inspector Calls

Diving into one of the key GCSE English Literature texts, our students are using and developing the analytical skills we have developed throughout KS3 to tackle Priestley's text, before developing GCSE English Language later in the term.

Year 11: Summer Prep

As we near the run-in to the Summer examinations, we are currently operating on a (roughly) weekly schedule revising the key areas of: Macbeth, A Christmas Carol, Lord of the Flies, Poetry Anthology, Unseen Poetry and both Language papers. This is to provide a foundation for students to build on with their own revision outside of the classroom.

Poetry

This year, the students have had some fantastic opportunities to be creative with our poetry. Joshua C (Y7) was the winner of our recent 'Poetry Slam', thanks to a fantastic poem exploring sustainability.

Early blossoms, carried along by a gentle summer breeze
 S t r e t c h e d
 across meadows
 With the wind a treadmill
 They carried them on their way
 With a long distance to cover they dispersed with little time to spare

For it is a tale of hardship,
 Of toil,
 Of sweat,
 Of working until they fall upon those below

Enough of their story for we have mouthfuls to spew
 However each one dissipates once it leaves the mouth,
 Unless someone's ears happen to fall upon them,
 At the right time,
 In the right place,
 And gently carries them along,
 a
 gentle
 summer
 breeze.

Also, our Student Poet Laureate, Clayton C, has inspired many through his championing of poetry within school. He recently organised our Spring Poetry Competition, which was won by Charlie C (Y9), with his winning poem here.

Head of Dept. Oli Wilson-Hughes
owilson-hughes@carshaltonboys.org

Poetry

Last year, in conjunction with Penguin Publishing, Mr Shariff organised an inspirational visit and talk with Loyle Carner and Yomi Sode for our sixth form students, who then attended a poetry workshop, culminating in our students creating some fantastic pieces

Loyle Carner

Yomi Sode

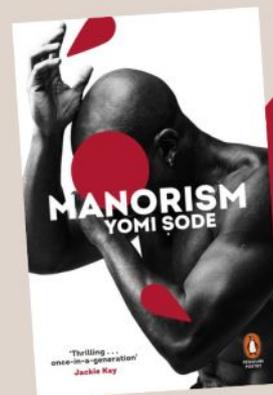

Athian Akec

Tuesday 25th April, 12.20-1.20pm

Free talk for students in Years 10-13 in the main hall

Join award-nominated poet, **Yomi Sode**, in conversation with former Youth MP for Camden, writer, and activist, **Athian Akec**, and hip hop musician, **Loyle Carner**, as they discuss how they found their voice, their role models and inspiration, and what it means to be a man.

Attendees get a free copy of *Manorism* by Yomi Sode

For more information, speak to Mr Sharif

This Year in English

Head of Dept. Oli Wilson-Hughes
owilson-hughes@carshaltonboys.org

Theatre Trips

In the English department, we seek a wide range of opportunities to engage with the texts that we study. As well as using film adaptations, we organise trips for students.

On 5th December 2023, Year 10 visited the Wimbledon Studio Theatre for a performance of one of our set texts for GCSE, *A Christmas Carol* by Charles Dickens. The studio theatre is situated below the main theatre and stages smaller productions. This production saw two actors take on over 30 characters as they retold the Victorian classic and we occupied all of the seats for the performance. The boys were amazed at how versatile the actors were and enjoyed spotting the key quotes they had learnt that term.

Year 11 had the opportunity on 16th November 2023 to watch *A Christmas Carol* at The Old Vic. Christopher Ecclestone played Ebenezer Scrooge in London's longest running adaptation of the novella and the audience were treated to mince pies, satsumas, music and merriment as part of the performance. It was a late night out but a really enjoyable evening for us all.

The Globe Theatre – Year 8

On 25th March, Year 8 have a rewards trip to watch *Romeo and Juliet*, the play they are currently studying, at the Globe Theatre in London. Students who have been working hard across the board in subjects and exhibiting our school values consistently will be selected by form tutors and their Head of Year to attend this trip.

The Globe Theatre – Sixth Form

On Shakespeare's birthday (23rd April), we will be taking all of the Sixth Form English Literature A Level students to an amazing study day at The Globe Theatre. Students will be undertaking a *Hamlet* lecture, performance workshops and academic exercises, so should be a fantastic experience in preparation for their upcoming exams.

The Rose Theatre, Kingston

On Thursday 14th March, we are taking Year 10 to see *Macbeth: An Undoing* at the Rose Theatre in Kingston. This retelling of the classic Scottish play puts the iconic Lady Macbeth at the heart of the story.

This Year in English

Head of Dept. Oli Wilson-Hughes
owilson-hughes@carshaltonboys.org

Jack Petchey

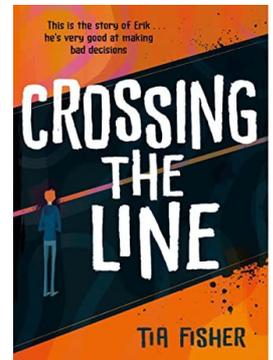

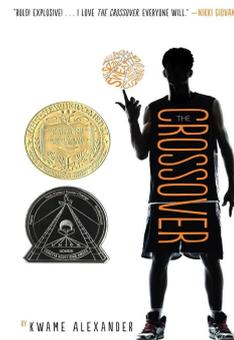

On Monday 15th January, 55 Y10 students took part in the Jack Petchey Speak Out Workshop. Jack Petchey's Speak Out Challenge is a programme managed and delivered by Speakers Trust, the UK's leading public speaking organisation and is supported and funded by the Jack Petchey Foundation. Their aim is to amplify young people's voices by building confidence, developing skills and creating platforms for young people to share their stories and ideas to empower not only themselves but each other. In this way, we champion effective, positive communication to use in education, employability and social change.

It was amazing to see the students gain more confidence as the day progressed and learn about each other in ways they may not get to do in a regular classroom environment. Rio E, Osaze I, Daniel C, Zak B, James H, Ben S and Harry L progressed through to the next round. Following on from this, one student will be selected to represent Carshalton Boys at the Regional Final in March.

Departmental Clubs

Our Book Club finished *The Crossover* by Kwame Alexander. New book this term (another verse novel) is *Crossing the Line* by Tia Fisher.

Our Creative Writing Club is currently working on the National Literacy Trust's Young Mystery Writers project, with tickets to see *The Mousetrap* in March and a workshop with a professional writer.

In November, pupils wrote horror stories. This is an extract from a story written by one of our Year 8 students Digby D

It was the dead of night. Huge crows flapped vigorously, with their soaring wings, over the trees. They were almost like the ancient elders from above, as they looked down, superiorly, over the mist - covered rubble. The crows were silent as night - they flew down to pick up the occasional carrion and roadkill, but that was the only noisy flapping of wings that they made.

Mice scurried their way around the huge, stone obstacles that looked down on them in an intimidating manner. Obstacles that sent a chill through anyone's spine. Obstacles that were put there in loving memory of loved ones. Graves. Deaths. The end.

I scampered through this graveyard, so that I could see the mother of my mother. I never called her 'grandma', because my mother was adopted. I could've gone earlier in the day, but I'm one of those people that enjoys the feeling of quiet, private moments to myself.

It was an hour before the girl turned from her 'grandmother's' grave and headed towards the gate. Except she couldn't get out. The tall gate was bolted.

'I can't get out. Help! Someone, help!' she hopelessly cried.

After much shouting for help, she realised it was no use. So she went and sat down by her relative's grave.

Next, she went exploring around the graveyard to find war graves, statues of heavenly hosts and a flock of crows feasting on carrion and mice, amongst others.

'Funny...' she said, still exploring. 'This grave's got my name on it.'

PE & English Project

Lead Staff: Charlotte Wadey (English) & Toby Way (PE)
cwadey@carshaltonboys.org & tway@carshaltonboys.org

Ink into Action

We have been encouraging students to combine their love of PE and their literacy skills this half term and challenged them to writing a commentary about a sport of their choice. Students had to write their commentary in 300-500 words, in their best formal English.

The final deadline for submissions: 9th February 2024

The winning prize is a Sutton United Executive Matchday Experience, including a formal lunch with sponsors, an official stadium tour, game tickets to their league two match on Saturday 24th February.

Winners will be announced after Half Term.

Good Luck!

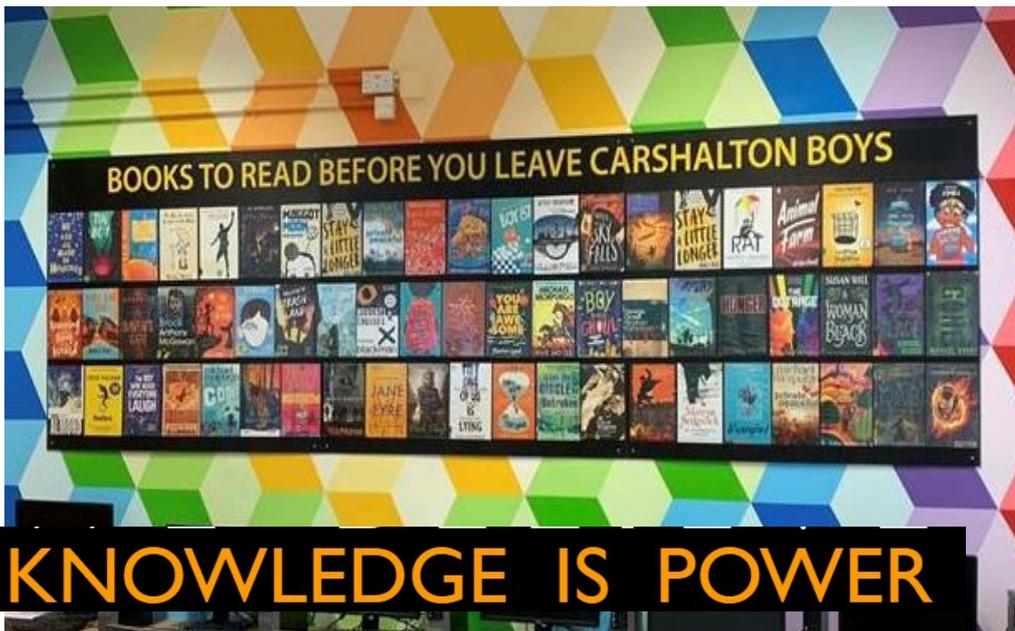

Sparx Reader

Lead: Joseph Kelly
JKelly@carshaltonboys.org

With more and more research pointing towards reading for pleasure as the biggest indicator of current and future achievement, our new Sparx Reader programme has been a huge success so far this academic year – with pupils already accumulating almost 11,000 hours of careful reading in the short time it has been running, and nearly **2,500 books read this year. Amazing!**

Students have completed
10,918 hours
of careful reading this year in Sparx Reader. Great effort!

Students have read
2,227 books
this year in Sparx Reader. Well done!

Listen: [Can Reading Really Improve Your Life?](#)

5 ways to keep children reading over the holidays!

1. Set aside time for daily reading sessions.
2. Visit the library for holiday events and book recommendations.
3. Allow kids to choose their own books to foster independence and critical thinking skills.
4. Engage in family reading sessions to strengthen bonds and encourage reading habits.
5. Incorporate fun activities and creativity to make reading enjoyable for kids.

CONGRATULATIONS to 7A/En I, who have won a Sparx Reader Super Star Award for the highest SRP. CBSC is one of the Top Performing Sparx Schools in the country from September to December; the 30 students in this class have completed over 400 hours of reading between them.

This Year in PE

Head of Dept. Stephen Bosdet
sbosdet@carshaltonboys.org

It has been a busy time since September in the world of sport at Carshalton Boys. Below is an overview of the fixtures that have been completed by our students. All students involved must be commended on their hard work and dedication to their own personal development, that of the team and the pride shown in representing their school.

Overall Sporting Fixtures

Sport	Football	Rugby	Basketball	Handball	Table Tennis
Number of fixtures	85	22	19	10	4
Total Fixtures including other sports					178

Football Highlights so far

It has been a hectic but successful and enjoyable year so far for our football teams. Our year 7 team have bedded in well under the stewardship of Mr Way and Mr Kyprianou. The team have reached the semi final of the Sutton Cup as well as the second round in Surrey's and the 4th round of the nationals. Our year 8 team have kicked on from last season which has seen them reach the 4th round of the National Cup the 3rd round of the Surrey Cup as well as currently leading the way in the league and in the quarter finals of the Sutton Cup. The second year 8 team have also computed well this year with a highlight reaching the last 16 of the national cup, an incredible achievement. Year 9 have continued their strong form of the last few years with Mr Watkins. They are currently flying high in the league as well qualifying for the quarter finals of both the Surrey and Sutton Cups. Year 10 has had a strong year to date so far with Mr Szreider at the helm. They have qualified for the quarter finals of both the Surrey and Sutton cups as well as making it impressively through to Round 5 of the Nationals where after a long trip to Herne Bay they were eventually beaten. Year 11 have also competed well with Mr Jackson having reached the 5th round of the national cup, and the 4th round in Surrey Cup and aim to reach the final of the Sutton Cup.

Our footballing success does not stop on home soil. In October our year 9 students took on three teams from Holland on their Amsterdam tour and won with an aggregate score of 35-6 across 6 games.

This Year in PE

Head of Dept. Stephen Bosdet
sbosdet@carshaltonboys.org

Rugby highlights this year

As a school we continue to work hard at increasing our skills in rugby as well as improving our teams within competition. We are particularly proud of the rugby teams at under 16, under 14 and under 13 level who all sit top of the London Schools Rugby Union competition. We hope that this success continues into next term. The under 12 team have been developing well since joining us in September with a particular highlight being their most recent game in which the boys dug deep in an incredible 40-40 draw with Southborough. The Rugby 7s season is fast approaching and the boys will be competing in the Surrey 7s tournaments which start in March. We look forward to competing and continuing our upwards trajectory in the sport.

Basketball highlights this year

As a school we continue to develop our basketball skills and go from strength to strength in our teams within competitions. In Year 7 & 8 we have had over 100 boys attending Basketball Club every week working hard to enhance their experience and skills. In regards to inter school competitions we have managed to play over 25 games this year across 6 year groups from U12-U18s. The highlight of the year was the U16 side who along with the demands of their GCSE's managed to reach the semi finals of the Surrey Cup beating the likes of Rutlish and Greenshaw along the way. We look forward to competing and continuing our upwards trajectory in the sport.

Handball highlights this year

This term has also seen handball start its annual tip off. The year 10 and year 11 teams have started the year strongly both with unbeaten records. Each team has had victories against Glenthorne, Wallington Boys and Sutton Harris. After the half term break, handball will really heat up with the year 8 and year 10 National competitions starting. There has also been a positive start to the year 7 and year 8 training clubs with excellent attendance and attitude with players of the future to look out for.

Flying start for Year 7

The year thus far has seen our Year 7 Football Team go from strength to strength. From a trial in September seeing over 200 boys attend across a three day period. We have had over 150 year 7s attending Football Enrichment every Monday after school to work closely with the PE Department to enhance their skills and tactics.

We have been fortunate enough this year to provide opportunities for over 75 year 7s to represent Carshalton Boys in competitive football fixtures against other Schools, including Wilsons, Sutton Grammar and Wimbledon College. Fixtures have seen the Y7 'A' Team Travel as far as Beths Grammar School in Bexley, play every day of the week (including a handful of Saturday mornings) which is a testament to their commitment. The Y7 'A' team have played 15 games to date, winning 10 and drawing 2, with notable wins coming against Glenthorne 8-2 and Three Rivers Academy 3-0 in the National Cup 2nd Round.

Mr Way and the PE Department would like to extend thanks all the year 7s and parents for their enthusiasm, dedication and commitment to their sport so far this year!

This Year in PE

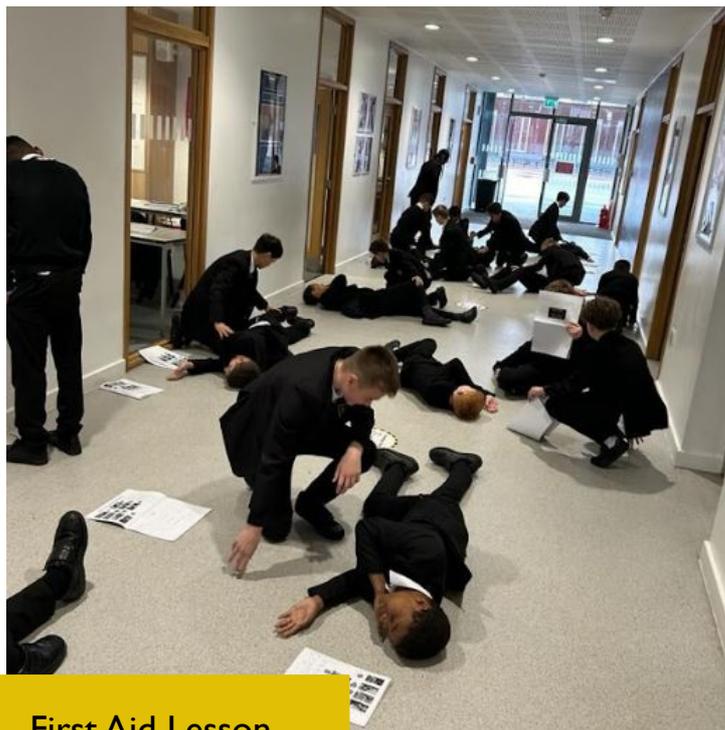

Head of Dept. Stephen Bosdet
sbosdet@carshaltonboys.org

Other Sporting Successes

We have seen a squad of students compete at the borough cross country event held at Sutton Grammar. Special mention to the U13's team who beat all other schools in the borough to become the best U13's cross-country team in Sutton.

Table tennis squads have competed this year in the South London Table Tennis Championships at under 13, under 16 and at under 19 level. This has seen the boys compete against some of the best Table Tennis players in the County and they played at venues including Wallington Boys, Wilsons and Whitgift, an experience that has given the boys a thirst to compete again at this level. Alongside this success we have found more students finding pathways into outside school table tennis clubs and masterclasses at school with our dedicated table tennis coach.

First Aid Lesson

In addition to this outstanding achievement we have had over 950 students attending extra-curricular clubs as part of the continued academic enrichment programme. These have involved clubs in sports such as judo, boxing, trampolining and sports leadership, to name a few, outside of the core sports. The enthusiasm of our students for sport is inspiring and is evident in all their lessons. This term KS3 has studied first aid, components of fitness and principles of training as part of our theory unit of work. Regarding practical PE, students across all years have been studying sports ranging from American football to table tennis. We can't wait to begin delivering our new Physical movement unit of work which will give students an in-depth knowledge of trampolining, dance, vaulting and floor gymnastics.

MATCH OF THE DAY

CHELSEA CBSC U19 BLUES LEAGUE MATCH CHARLTON ATHLETIC U19

5 VS 2

MAN OF THE MATCH: NATHAN DOWNER

After our successful double cup winning season last year. We are off to a great start this season. Along with our Chelsea blues being 2nd in the league with games in hand. We have had 2 trials, USA scholarship workshops and squad team building exercises delivered by Darren Simpson who works within the academy at Chelsea

We were lucky enough to have guest coaches come in and deliver sessions. One of these being Alessandro from the Italian Federation who delivered a practice on the psychology of elite performance.

Another stand out achievement this season is being the First 2nd division team to beat a premier division team in the league cup

The Half Term In Photos

The Half Term In Photos

Food Tech

Head of Dept. Jackie Dean
jidean@carshaltonboys.org

It's been another busy term for the Food Dept with a focus on high level skills and presentation. Year 7 and 8 have achieved some great outcomes - soda bread, pasta and cheese and onion pasties are just some of the things they have been cooking. Year 9's have been learning how to deep fry safely and produced some amazing fish goujons and chips, Years 10's have been learning about pastry and making their own creme patisserie and Year 11 having been showing off their skills in the practical exams (we aren't allowed to share their photos due to exam regulations).

We also had a visiting Taiwanese student join our lessons and he worked with Morgan S in Year 10 to deliver a presentation on food and culture in Taiwan. A great opportunity for the boys to learn more about foods from around the world.

A big thank you to Mrs Hepburn who has shopped for all the ingredients. During the exams, we have a Tesco shop every day and some pupils have 3 or 4 recipes each, so it is a very busy time for her!

Jamie Oliver Award

Head of Dept. Jackie Dean
jidean@carshaltonboys.org

Jackie says...

We teach food beyond the classroom... Hour-long lessons are actually quite short, so we provide extra opportunities where the kids have time to cook two or three dishes. We hold master classes in the school holidays, and we have our own little Saturday Kitchen sessions, where students come in and cook. It's so popular, we have a waiting list for it. A really successful Saturday Kitchen session was for Mother's Day, where they all went home with a little box of sausage rolls, decorated biscuits and homemade cake. These sessions get the boys involved and passionate about the subject.

@foodcbcs

**FOOD EDUCATOR OF THE YEAR
JACKIE DEAN, CARSHALTON BOYS SPORTS COLLEGE**

We were invited back to Jamie Oliver's HQ to celebrate the Food Educator of the Year Awards.

Well done to Jack, Morgan and Tyler who were a credit to the school on the day. Thank you also to Mrs De Mori and to Mrs Bonfante who accompanied us.

Sparx Maths

Head of Dept. Joanne Lambert
jlambert@carshaltonboys.org

Sparx Maths

Sparx Maths

Sparx Maths is the online WOTC platform we use for maths. It allows for differentiation of WOTC and gives teachers insights into their classes strengths and needs. Every time a student completes a task, they earn Sparx Experience Points (XP). Every 10 000 XP is a new level and students retain their XP until they leave the school.

415,468
questions answered correctly in Sparx Maths so far this year

Students in your school have completed
11,050 hours
of personalised learning on Sparx Maths this year!

Highlights from the last week

Highest completion:
7b/Ma1 (96.7%)

Highest average XP per student:
11a/Ma10 (603 XP)

Biggest completion improvement vs previous week:
10a/Ma7 68.2% (+27.3%)

Independent Learning	100 (per task)

The Brilliant Club

Staff Lead: James Karamath
jkaramath@carshaltonboys.org

During Autumn term, number of keen Y8 students have been taking part of a scholar program run by “The Brilliant Club”. In this program, the students were given weekly tutorials by Dr Sophie Banks over 6 weeks in which they learned to analyse literary texts from a number of different points of view. At the end of the course, based on their discussions in the classes, they were asked to write an essay, using literary analysis to inform readers about the different points of view of one of a choice of texts. These were then to be marked by Dr Banks using university style marking.

At university, the grade system is “1st” for best grades then “2:1”, “2:2”, “3rd” and “pass”.

All but one of the students that took part obtained a 2:1 or above and **half of the students got a 1st class for their essay!** They will be going to The Courtauld Institute in central London on February 22nd to take part in a graduation ceremony with a number of other schools which have taken part – a great opportunity to meet other students and to experience a university setting for a day.

CBSC POWER

CBSC POWER continues to build on the success of previous years with a focus on improving playground facilities and suggesting way to improve provision through existing initiatives such as Sparx reader.

Elliot Colburn (MP for Carshalton and Wallington) attended the most recent meeting in January at Cheam High School, where he faced some direct and challenging questions about what the government is doing to reduce knife crime and protect our community.

A group of POWER representatives will be heading to the House of Commons in February 2024 for a tour of the building and a chance to witness some debate in the chamber. More on this in our next issue!

The Carshalton Boys Sports College POWER leadership team have been busy this year representing the CBSC community at Sutton Student Council.

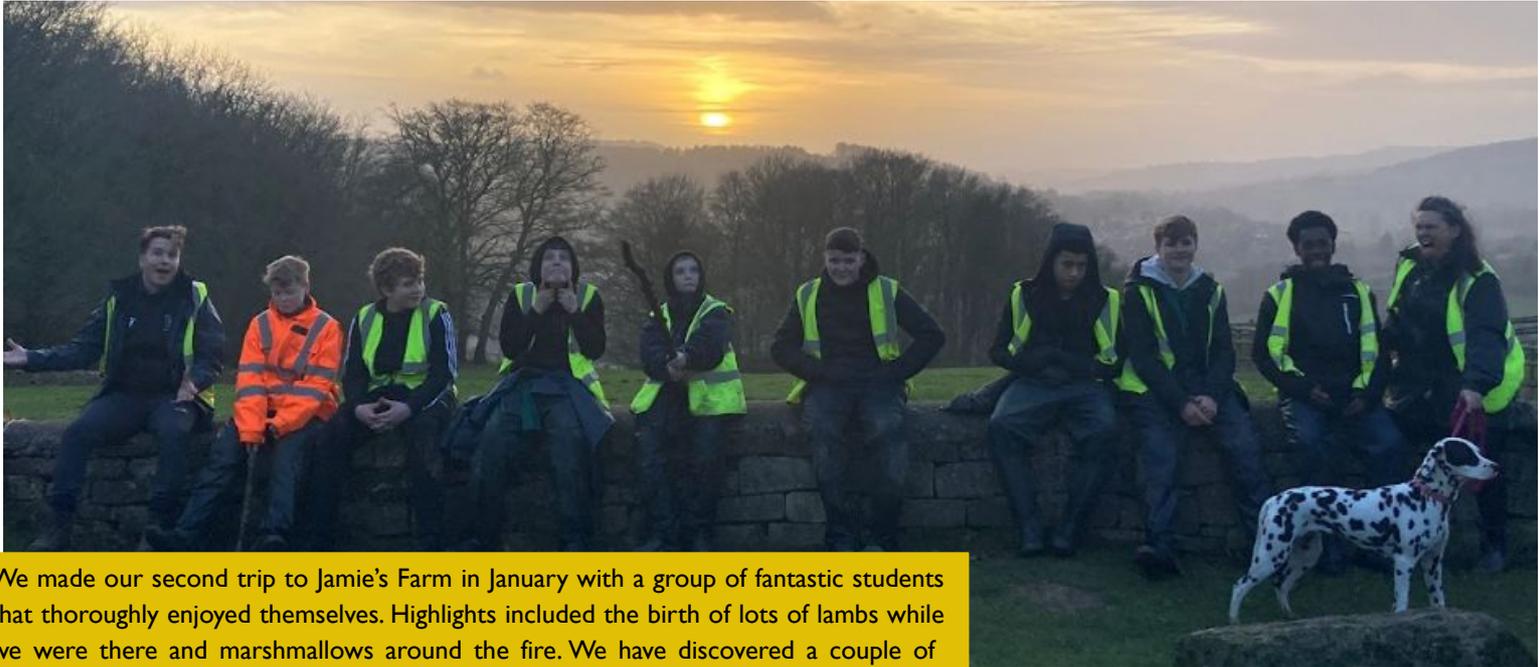

CBSC hosted the first meeting of the academic year last term, where delegates discussed issues facing young people in Sutton at the moment. High on the list of concerns was the safety of young people in the local community particularly at weekends and going to/from school.

Jamie's Farm CARE Trip

Lead Staff: Shaheen Sharif & Sue Garcia
ssharif@carshaltonboys.org &
sgarcia-santos@carshaltonboys.org

We made our second trip to Jamie's Farm in January with a group of fantastic students that thoroughly enjoyed themselves. Highlights included the birth of lots of lambs while we were there and marshmallows around the fire. We have discovered a couple of budding farmers and a couple of budding chefs and some amazing experiences for all of the students and staff too!

Taiwanese Students Visit CBSC

At Carshalton Boys, we recently welcomed some new members to our school family. For two weeks, we had the absolute pleasure of hosting 31 students from Taiwan, who travelled fourteen hours to take part in an English immersion programme. They came to our school every day to get a taste of typical life in an English school and to improve their language skills. We buddied up each Taiwanese student with one of our students, and together they experienced everyday life at CBSC, going to each lesson and even experiencing a fire drill. The Taiwanese students awed our students with some inspiring basketball, maths, cooking and artistic skills, and after a couple of days, some of the students even greeted me in Spanish!

Taiwanese Students Visit CBSC

Our boys absolutely stepped up to the important role of being buddies, we could not have been prouder. They were responsible, welcoming, kind, entertaining, warm and caring. This extended across the school, as other students wanted to get involved and we even had a "buddy" waiting list.

The Taiwanese students left our school with heaps more confidence and there is no doubt they gained so much from being part of the CBSC family. They also hugely enriched the lives of our boys, many of whom developed a new understanding of life on an island over 6,000 miles away, as well as making some firm friends for life. Fun, learning and discovery went hand in hand: what a fantastic experience! Does anyone fancy a trip to Taiwan?

We have been updating the KS4 Study Hub this term

The Study Hub is a one-stop-shop for all things exam and coursework preparation for our students in KS4.

This includes:

- Textbooks
- Past papers & Mark Schemes
- Lesson Resources
- Revision materials & videos
- Memory maps
- And much more

We are continually updating this and adding new subjects

Please note, this is a closed website and can only be accessed by staff and students with @cbssc.co.uk Google accounts. It will require you to sign in to access. If you have any questions, please contact hbaker@carshaltonboys.org

School Fund

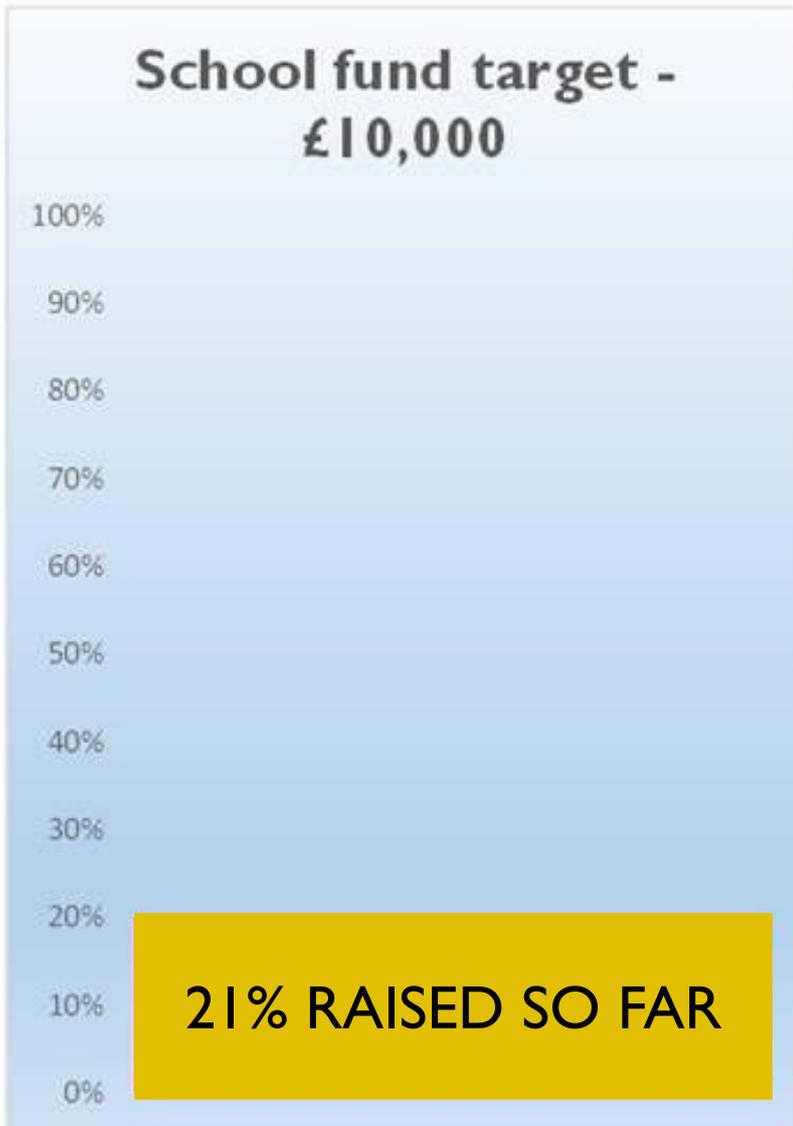

School Fund Update

Many thanks for all your contributions so far – We are 21% of the way towards our target. Please see the school website for information about how you can make a contribution. – Link [HERE](#)

We also have a Gift-Aid scheme where every £1 you give – or have given in the past – is worth 25p more. [Please click here to find out more.](#)

Trustees are hoping to raise £10,000 to give to the Student Power committee to invest in projects of their choice. They are currently considering a variety of Eco related projects across the site, but take a look at the leaflet and website to find out more information about how School Fund money has been spent in the past.

HERE4YOU

Here4You aims to raise money to support the 6 partner charities.

REPORT A SAFEGUARDING CONCERN

Shout is the UK's only free, confidential, 24/7 text messaging support service for anyone who is struggling to cope. Anyone can text 'SHOUT' to 85258 to speak to a trained volunteer at any time of day or night. Since launch, Shout has had more than 2 million conversations with people who are anxious, stressed, depressed, suicidal or overwhelmed and who need in-the-moment support.

The Mix is the UK's leading digital charity for under 25s, reaching over 6 million young people each year. Whatever issue a young person is facing, The Mix is always there for them - via our website, over the phone or via social media. Our support is free, confidential and anonymous and can be accessed wherever young people are.

YoungMinds have a range of information, advice as well as resources including things like wellbeing activities, toolkits and webinars to help you support the young people in your lives.

Place2Be is a leading children's mental health charity providing school-based support and in-depth training programmes to improve the emotional wellbeing of pupils, families, teachers and school staff. For almost 30 years, Place2Be has worked with pupils, families and staff in UK schools. The charity currently provides an embedded mental health service in over 520 UK primary and secondary schools, supporting a school community of around 298,000 children and young people.

Joe's Buddy Line's mission is to provide accessible and empowering mental health and wellness support to young people and their communities. Through education, resources, and advocacy, we create environments where mental health conversations are open, accepting and stigma-free.

Mind, the mental health charity, provides advice and support to empower anyone experiencing a mental health problem. We campaign to improve services, raise awareness and promote understanding. We won't give up until everyone experiencing a mental health problem gets both support and respect. mind.org.uk Mind has a confidential information and support line, Mind Infoline, available on 0300 123 3393 (lines open 9am - 6pm, Monday – Friday). Mind has information and advice on its website dedicated to 11-18 year olds.

Summer University - Year 12

ROYAL HOLLOWAY UNIVERSITY OF LONDON

STUDYING HERE STUDENT LIFE RESEARCH & TEACHING ABOUT US

Summer University - Year 12

Summer University - Year 12

> Schools and colleges > Widening Access > Summer University - Year 12

This year our Summer University will take place from **Thursday 27th- Friday 28th June**. You'll explore a range of activities, including Subject Insight sessions, meet current university students, and take part in social activities.

You'll stay in our accommodation and experience life as a university student.

You can access the application form by clicking [here](#).

This is an opportunity to stay in our accommodation and experience life as a university student. Students will explore a range of subject insight sessions, meet current university students, and take part in social activities. Students will stay overnight in our university accommodation supported by Royal Holloway staff and student ambassadors. **This is a free opportunity for eligible students.**

The Summer university will take place on 27th – 28th June 2024

Further information including the application forms are available on our [website](#), a PDF poster will be circulated digitally also.

An application form needs to be completed by each student who would like to attend the Summer University. Please advise students that the application form will also ask for a parent/carer to submit their consent for the student to apply/attend. We will also need confirmation from the school that students can attend.

- Applications close midnight **10th March 2024**
- **19th March 2024** - You should hear a decision from us on this date

Please note, we may close applications early if we receive a high number of applications, so please advise your students to apply as soon as possible!

If you have any questions, please don't hesitate to contact us. You can do so by emailing wa@rhul.ac.uk
