

Carshalton Boys Sports College

Year 9

Work Outside the Classroom

Summer Term 2024

Art

Week beginning	WOTC
15 April	Biro/Pen Landscape drawing (mark-making skills)
22 April	Hand in biro drawing (mark-making and shading skills)
29 April	Landscape Collage (design and making skills)
6 May	Hand in collage
13 May	Colour Pencil Landscape (shading skills)
20 May	Hand in colour pencil landscape drawing
3 June	Vincent Van Gogh drawing
10 June	Hand in Van Gogh drawing
17 June	Internal Assessment Week - No WOTC
24 June	Internal Assessment Week - No WOTC
1 July	My Chosen Landscape Artist (Analysis and Artist Copy)
8 July	Hand in analysis and artist copy

Business Studies

Week beginning	WOTC
15 April	Using the R067 Revision guide. Complete Topic Area Takeaway Task (Task 1) on Page 4.
22 April	Using the R067 Revision guide. Complete Topic Area Takeaway Task (Task 2) on Page 4.
29 April	Using the R067 Revision guide. Complete Topic Area Takeaway Task (Task 3) on Page 4.
6 May	Using the R067 Revision guide. Complete Topic Area Takeaway Task (Task 4) on Page 4.
13 May	Using the R067 Revision guide. Complete Topic Area Takeaway Task (Task 1) on Page 9.
20 May	Using the R067 Revision guide. Complete Topic Area Takeaway Task (Task 2) on Page 9.
3 June	Using the R067 Revision guide. Complete Topic Area Takeaway Task (Task 3) on Page 9.
10 June	Using the R067 Revision guide. Complete Topic Area Takeaway Task (Task 4) on Page 9.
17 June	Internal Assessment Week - No WOTC
24 June	Internal Assessment Week - No WOTC
1 July	Using the R067 Revision guide. Complete Topic Area Takeaway Task (Task 5) on Page 9.
8 July	Using the R067 Revision guide. Complete Topic Area Takeaway Task (Task 6) on Page 9.

Citizenship

Week beginning	WOTC
15 April	UK's role in the UN - student's will be asked to complete a comprehension and research task focusing on the UK's role within the United Nations

Construction	
Week beginning	WOTC
15 April	Students need to complete their construction independent learning booklet, this work will be based on topic 1.2: The Built Environment Life cycle. Students must complete: 1.2.1—Raw material extraction
22 April	Students need to complete their construction independent learning booklet, this work will be based on topic 1.2: The Built Environment Life cycle. Students must complete: 1.2.2—Manufacturing
29 April	Students need to complete their construction independent learning booklet, this work will be based on topic 1.2: The Built Environment Life cycle. Students must complete: 1.2.3—Construction
6 May	Students need to complete their construction independent learning booklet, this work will be based on topic 1.2: The Built Environment Life cycle. Students must complete: 1.2.4—Operation and maintenance
13 May	Students need to complete their construction independent learning booklet, this work will be based on topic 1.2: The Built Environment Life cycle. Students must complete: 1.2.5—Demolition
20 May	Students need to complete their construction independent learning booklet, this work will be based on topic 1.2: The Built Environment Life cycle. Students must complete: 1.2.6—Disposal, reuse or recycle
3 June	<i>Please set revision WOTC that will prepare pupils for the upcoming assessment window</i>
10 June	<i>Please set revision WOTC that will prepare pupils for the upcoming assessment window</i>
17 June	Internal Assessment Week - No WOTC
24 June	Internal Assessment Week - No WOTC

Drama	
Week beginning	WOTC
15 April	Practice 4 markers - COSTUME Design a costume of your choice from the play text Students should use this document to help them structure their answers: https://docs.google.com/presentation/d/1k3ejsbdGCYO827DaryP-1L9-fln5U1a9/edit#slide=id.p1
22 April	Practice 4 markers - SET Design a set of your choice from the play text Students should use this document to help them structure their answers: https://docs.google.com/presentation/d/1k3ejsbdGCYO827DaryP-1L9-fln5U1a9/edit#slide=id.p1

29 April	Practice 4 markers - SOUND Outline your ideas for how sound might be used at a specific moment in the play Students should use this document to help them structure their answers: https://docs.google.com/presentation/d/1k3eisbdGCYO827DaryP-1L9-fln5U1a9/edit#slide=id.p1
6 May	Practice 4 markers - LIGHTING Outline your ideas for how lighting might be used at a specific moment in the play https://docs.google.com/presentation/d/1k3eisbdGCYO827DaryP-1L9-fln5U1a9/edit#slide=id.p1
13 May	Key terminology revision task - mini test to place in lesson to evidence homework completion
20 May	Theatre Conventions revision task - mini test to place in lesson to evidence homework completion
3 June	Section B & C - Practise questions
10 June	Section B & C - Practise questions
17 June	Internal Assessment Week - No WOTC
24 June	Internal Assessment Week - No WOTC
1 July	SUMMER PROJECT - Summer revision project set and started in WOTC time
8 July	SUMMER PROJECT - Summer revision project set and started in WOTC time

Engineering	
Week beginning	WOTC
15 April	Students need to complete their engineering independent learning booklet, this work will be based on topic 2; Manufacturing processes. You have been provided with a knowledge organiser on pages 5,6 and 7 to support you in answering each section. Students must complete: Page 8: Wasting processes - sawing Page 9 Wasting processes - shearing Page 10 Wasting processes - Drilling Page 11 Wasting processes - Filing
22 April	Students need to complete their engineering independent learning booklet, this work will be based on topic 2; Manufacturing processes. You have been provided with a knowledge organiser on pages 5,6 and 7 to support you in answering each section. Students must complete: Page 12: Wasting processes - sawing Page 13: Wasting processes - Routing Page 14: Wasting processes - Laser cutting Page 15: Wasting processes - Turning

<p>29 April</p>	<p>Students need to complete their engineering independent learning booklet, this work will be based on topic 2; Manufacturing processes. You have been provided with a knowledge organiser on pages 5,6 and 7 to support you in answering each section. Students must complete:</p> <p>Page 16: Wasting processes - Turning new vocabulary</p> <p>Page 17: Wasting processes - Milling</p> <p>Page 18: Wasting processes - Milling vocabulary</p> <p>Page 19: Shaping processes - Sand casting</p>
<p>6 May</p>	<p>Students need to complete their engineering independent learning booklet, this work will be based on topic 2; Manufacturing processes. You have been provided with a knowledge organiser on pages 5,6 and 7 to support you in answering each section. Students must complete:</p> <p>Page 20: Shaping processes - Die casting</p> <p>Page 21: Shaping processes - Injection moulding</p> <p>Page 22: Shaping processes - Powder metallurgy</p> <p>Page 23: Shaping processes - Vocabulary</p>
<p>13 May</p>	<p>Students need to complete their engineering independent learning booklet, this work will be based on topic 2; Manufacturing processes. You have been provided with a knowledge organiser on pages 5,6 and 7 to support you in answering each section. Students must complete:</p> <p>Page 24:: Forming processes - Forging</p> <p>Page 25: Forming processes - Press forming</p> <p>Page 26: Forming processes - Strip heating</p> <p>Page 27: Forming processes - Vacuum forming</p>
<p>20 May</p>	<p>Students need to complete their engineering independent learning booklet, this work will be based on topic 2; Manufacturing processes.
