Headlines

FEMINISM IS FOR EVERYONE

As we reach the end of this half term, we are immensely proud of all our students. Special mention goes to our Year 11 and Year 13 students who have tackled an intense round of mock exams with determination and resilience. Their drive and enthusiasm inspire us every day. We would like to thank the exams team, and invigilators for making these exams a success! and providing a calm environment for our students to thrive.

This term, we've also been able to come together for some truly meaningful events. Our assemblies for White Ribbon Day have empowered students to become allies, encouraging them to speak out against violence towards women and continue championing equality for all genders. Our History Department, delivered a moving Remembrance ceremony in honour of those whose lives were lost.

The Drama, Music, and Arts departments dazzled us with the spectacular production of *Twist!*, an experience that will stay with those involved for years to come. We've also had a number of successful trips, Aimhigher events, and, of course, the incredible fundraising activities including the Kenya Expedition tombola, Christmas Toy Collection, and Shoe Box Donations.

As we break for the holidays, we would like to extend our heartfelt thanks to all our families and staff for their unwavering support. We wish you a very restful, merry Christmas. Please take time to care for yourselves and those you love.

We look forward to welcoming our students back for a busy and exciting Spring term!

Y8 Poetry

Merry Christmas Carshalton Boys

Families gather, hearts aglow
 exchanging gifts and stories, row by row
 the scent of pine and cinnamon spice
 a cozy embrace, a moment of paradise.

Memories made, traditions upheld
 christmas spirit, a tale forever told
 a time of wonder, a time to share
 a season of love, beyond compare.

Dismissal	All students off site by 12.20pm

Monday 6th January (start of term)

We start back on a GOLD week

Time	Activity
10.40	ALL students to arrive in school
Reg	Tutor time/Assemblies
11.20	Timetabled lessons as normal

Tuesday 7th January

Lessons as normal

Uniform & Equipment

To ensure a consistent learning environment, students who repeatedly come to school without the proper uniform or missing essential equipment will be subject to appropriate consequences. However, we understand that unforeseen circumstances may arise. If you have a valid reason for not meeting the dress code or missing equipment, please get prior approval from your Head of Year or PSO.

Equipment Expectations

As we hit the colder/wetter months, it's important that students have a CBSC school coat.

Non-school coats are NOT permitted.

If you would like to obtain a pre-loved coat, please contact your child's pastoral team

Equipment Expectations

Please ensure your child has the following in their school bag everyday

Full (essential) school equipment inside a pencil case:

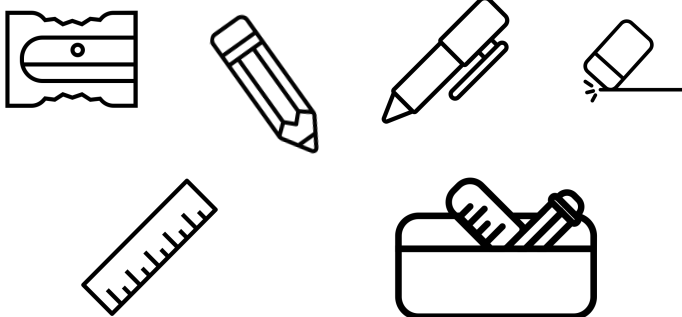

Essentials

- 2 black or blue pens
- 2 Pencils
- Rubber
- Sharpener
- Ruler

Desirables

- Highlighters
- Some colouring pencils
- Maths set
- Calculator

It is also helpful for students to have a pair of headphones with a cable and jack to use in music lessons

Uniform Expectations

Please ensure your child has the following CBSC School Uniform:
Black Leather School Shoes (*trainers are not acceptable. Any student not wearing correct footwear will be provided with a pair of leather shoes to wear for the day*)

CBSC School Blazer

Black Trousers

Black Skirt (*must be of an acceptable length to allow involvement in a wide range of activities during the school day, but maintain modesty. Hem must be on or close to the knee*)

White Shirt (*short or long sleeved*)

School Tie

CBSC School Coat (*for colder/wet weather*)

CBSC School Jumper (*Optional*)

Note, the blazer must be worn at all times, unless students have permission to remove.

PE Kit Expectations

CBSC PE Shorts

CBSC PE Top

Trainers

If your child is not able to participate in PE, they are still required to bring their FULL CBSC kit with them for their timetabled PE lessons. *Sick or fit, bring your kit!*

Jewellery

Jewellery is not permitted, including earrings. Students will be asked to remove these

Student Services

Left your pencil case at home? Lost your tie the night before at a fixture? Left your school shoes at home?

Students will be able to borrow items for the day. They must collect this between 8-8.20am in the Mezzanine/speak to their tutor, PSO or Head of Year

Remembrance

Monday 11th November

On Monday, 11th November 2024, the Carshalton Boys community gathered on the playground to observe a poignant Remembrance Day ceremony. This followed a week of engaging assemblies that explored the impact of the First World War on football teams in 1914, highlighting the sacrifices made by players and communities during this period.

The ceremony began with the hauntingly beautiful sound of the *Last Post* performed by a bugler, creating a solemn and reflective atmosphere. Students and staff then observed a two-minute silence to honour the servicemen and women who gave their lives in conflicts past and present, whilst the cadets formed a guard of honour in front of our CBSC war memorial.

Throughout the event, students were a real credit to the school, displaying exemplary behaviour and the utmost respect during this important moment of reflection. Their engagement with the week's assemblies and the respectful silence during the ceremony demonstrated a deep understanding of the significance of Remembrance Day.

The event was a moving culmination of a week dedicated to exploring the themes of remembrance, sacrifice, and community. It was a powerful reminder of the importance of honouring the past and reflecting on its lasting impact on our world today.

Remembrance

English as an Additional Language

Languages without barriers

At CBSC, we welcome diversity and foster inclusion. Over 45 languages are spoken by our 420 EAL students and staff combined. Being a student with English as an Additional Language (EAL) implies that English may be the second or third language spoken in his environment.

Numerous challenges await EAL students, especially those arriving from another country with little or no English; it can be very daunting surrounded by an alien culture, unfamiliar faces and lessons in a foreign language.

At CBSC, we do everything possible to help our EAL students to turn these challenges into opportunities through our tight support network. First, we tailor-make personalised timetables to suit the needs of the students. A new EAL student may, for example, be removed from particular subjects for a short period of time or supported in lessons using adapted resources with the same objectives, so there is no long-term isolation. We pair up our new EAL boys with a friendly face; peers, whether they speak the same language or not, usually embracing the differences and keeping an eye on ensuring the new student gets to the right lesson without getting lost in the labyrinth of busy corridors. Joining clubs (especially sports and drama) and being selected for competitions representing CBSC in football, basketball and cricket have also been extremely successful in increasing confidence and accelerating integration within the school community.

Finally, Tutors, Support Staff and Learning Coordinators also provide constancy, track progress, ensure wellbeing and help develop a vital link with engaged and supportive guardians, carers and parents who wholeheartedly participate in the steep learning curve and long journey ahead of assimilation.

[Please click here for our EAL policy.](#)

Here are some of the comments that our Lithuanian and Mandarin students have shared with us about their impressions of their experience at Carshalton Boys:

- "Two years ago, I was nervous and felt like a newborn, having to relearn everything. Since winning the Basketball Surrey Cup, I have been able to train as a basketball referee and table official, which has given me a lot of confidence and a possible career path. I would like to thank the student whose shadow I followed for three days. Now my English is a lot better."
- The best thing about being selected to attend the Kingston University Saturday Engineering club is being able to participate in these activities whilst in secondary schools, allowing students from around the country to gain a broader vision or experience in courses they may or may not want to pursue.

Here are some of our Pakistani and Turkish parents' testimonies:

- "Just a word of thanks for coming to the Big Iftar at Baitul Futuh in Morden and breaking the fast with us. I hope you enjoyed yourself and that you learned a little more about Islam, Ramadan and how Muslims live their lives. There is a great deal of misunderstanding about Islam and this was our small contribution to help build a better understanding. If we can assist you in any way, do not hesitate to contact us."
- Our twin sons love coming to school and trust you. They see it as a haven where they can talk freely. Therefore, we are so happy.

Life after Carshalton Boys Sports College by a Spanish student and Greek parent who assisted our Food Science teacher to win the 2023 Jamie Oliver Best Educator Award:

- Thank you for forwarding my school-leaver sweatshirt, which fits me now! I go to a post 16 Spanish college by the sea learning IT thanks to the grades gained in the UK... I was able to slot into the Spanish system and continue my education uninterrupted. I was also very popular with my peers and a bit of a cool student, speaking English better than my teacher. I think being partly integrated and partly withdrawn at Carshalton Boys was the best approach because it pushed me to make new friends and get used to different teachers. I have now passed my driving licence and have become very independent. Thank you for everything.
- We are always happy to hear from CBSC. Now we are back in Greece. I will definitely support JD for the nomination and I truly believe she will shine. She helped my son understand the British culinary multicultural tradition through her classes and helped him to feel accepted. I will never forget how proud he was to cook the dishes he liked on Sundays. Shepherd's Pie became a family staple. Last but not least, thanks to JD and her classes, he is currently working part-time in a restaurant kitchen, until he sits his military exams to become a pilot.

English as an Additional Language

Twist! 2024

This year's Christmas show, *Twist!*, was a dazzling success, and we couldn't be prouder of our talented students who brought their best to the stage! A remaster of a classic, *Twist!* saw our students picking a pocket or two, singing their hearts out, and delivering incredible performances. It was truly one of our best Christmas shows to date!

A massive thank you to everyone who made this unforgettable show possible. To the dedicated staff - in particular, our music/arts teachers, supportive families, and hardworking students, your commitment to making this production a success was outstanding. Special thanks go to Josh, our brilliant design intern, who crafted the stage doors, and to our fantastic site team who helped with the setup. We also want to give a huge shout-out to our amazing band members, Alison Morgan, Brodie Hennell, Neil Smythe and Chris O'Sullivan, and all our invaluable runners who kept everything running smoothly.

But, of course, the biggest thank yous go to Mrs. Clarke (Head of Drama) and Mrs Patel (Head of Music), who have probably not had a full night's sleep in the last month! Their unwavering dedication and vision made this show a reality, and our students will forever cherish the memories made on stage.

Thank you again to everyone involved in making this Christmas show one to remember. Your hard work and support truly shone through, and we couldn't be more grateful!

Wishing you all a joyful holiday season!

Twist! 2024

Library News

Autumn Term Highlights

The Autumn Term has been busy for the library! I've organised the younger fiction section by genre, and I'm currently developing our graphic novels and sports collections. At the start of the year, Years 7, 8, and 9 enjoyed their library inductions, which included a scavenger hunt and exploring the shelves. The library lessons involve thirty minutes of independent reading followed by class readings of books such as *The Hunger Games*, *Roll of Thunder, Hear My Cry*, *Rat, Maggot Moon*, and *Coraline*. In October, the library celebrated Black History Month, and in November, commemorated Remembrance Day.

The library is looking forward to spring, particularly with World Book Day in March, featuring a visit from award-winning fantasy author Cliff McNish.

Thank you to the English department, Year 13 library assistants Lili and Bethany, and the Senior Management Team for their support this term.

Best wishes,

Lucy Cox, Librarian

Most Popular Books in Y7-9

Year 7

Y9 Art Trip

Y9 art pupils visited the Royal Academy to see the Michael Craig Martin exhibition. Craig Martin's Pop Art work explores everyday objects in colourful large scale paintings, sculptures and drawings created directly onto the wall using tape. Part of the exhibition included an immersive digital display which was especially popular. The students said that seeing the art in person was really inspiring.

YEAR 7

Head of Year: Mr Marrs
Pastoral Support Officer: Mrs Thompson
LeadershipYear7@carshaltonboys.org

Dear Students, Parents and Carers,

As we approach the end of a busy and successful Autumn Term, I would like to take this opportunity to reflect on the fantastic progress our Year 7 students have made, and to share some exciting plans for the upcoming Spring Term.

The start of secondary school can be a daunting transition, but it has been wonderful to see how well our Year 7 students have settled into school life. From adjusting to new routines and making new friends to embracing the challenges of secondary education, the students have shown resilience and enthusiasm. It has been a pleasure to watch them thrive and develop both academically and personally.

This term has been full of highlights. We've seen an exceptional number of students taking part in enrichment clubs, where they have explored new interests and developed valuable skills. The Aim Higher trip was a fantastic experience, allowing students to gain insights into their future potential and aspirations. Our sporting teams have been busier than ever, with a huge number of fixtures showcasing the determination and team spirit of our Year 7 athletes.

We were also delighted to see one of the best attended Pastoral Evenings in recent years, where parents and carers had the chance to meet with tutors and discuss the progress of their children. It was a truly positive reflection of the strong partnership we have with our families.

In terms of achievements, Year 7 have been earning achievement points in abundance—over 1000 points this term alone! This is a testament to their hard work, dedication, and positive attitudes. I would also like to take this moment to wish the Year 7 students involved in 'Twist', the school's production, the best of luck. I'm sure their hard work and creativity will shine through in the performance.

Looking ahead to the Spring Term, we have even more exciting opportunities for our students. There will be more extra-curricular trips, including visits to the theatre, where our students will be able to explore the world of performing arts. We are also looking forward to Directions and Destinations Day, a key event that will help students start thinking about their future goals. Additionally, we are excited to offer a Chinese cooking workshop, providing a fun and hands-on experience in the kitchen.

The Spring Term promises to be another exciting chapter in Year 7's journey, and I am confident that our students will continue to thrive and make the most of the opportunities ahead.

Wishing you all a joyful and restful holiday, and I look forward to welcoming the students back in the new year.

Warm regards,
Mr Marrs
Head of Year 7

LeadershipYear7@carshaltonboys.org

YEAR 8

Head of Year: Mr Wadman
Pastoral Support Officer: Miss Awolope
LeadershipYear7@carshaltonboys.org

Dear Parents, Carers, and Pupils,

As we come to the close of another enriching term, I would like to take this opportunity to reflect on the many successes all the pupils have achieved together and to express my heartfelt gratitude to everyone who continues to contribute in making our school such a vibrant and nurturing community.

This term has been filled with growth and accomplishment. Whether it's the impressive academic progress demonstrated in classrooms, the creativity displayed in arts and performances, or the sportsmanship shown on the field, our pupils have risen to every challenge with determination and enthusiasm. Special congratulations are in order for those who represented the school in competitions and for the collective efforts that supported local charities and community initiatives—your hard work and generosity make us all proud.

At the heart of this season lies the value of family and togetherness. As we prepare to enjoy a well-deserved break, I encourage everyone to embrace this time to connect with loved ones, share in the joy of the season, and reflect on the importance of the bonds that sustain us.

Community, too, remains a cornerstone of our school's identity. The support, collaboration, and care that parents, carers, staff, and pupils show one another exemplify what it means to be part of a truly united community. Together, we continue to create a space where everyone feels valued and inspired to succeed.

Thank you for your unwavering support throughout this term. I wish you all a peaceful and joyful holiday season, and I look forward to welcoming everyone back in the new year, ready to embrace fresh opportunities and challenges with the same spirit that defines us.

Wishing you luck and happiness over the Christmas period and the New Year.

Mr Wadman & Miss Awolope

YEAR 8

Head of Year: Mr Wadman
Pastoral Support Officer: Miss Awolope
LeadershipYear7@carshaltonboys.org

Y8 Table Tennis Regional Plate

Eddie, Jack R, Jack H and Bernardo represented the school table tennis team in the Borough championships. This was a very competitive competition with schools competing for a top 2 spot to represent the Borough at the South London championships. The team battled hard and achieved a top 2 spot with wins over Cheam, Oaks Park, Wallington Boys and Harris Sutton with our defence coming at the hands of the home side Wilsons. This week the team took their place in the Regional championships. The team had to be slightly changed with Jack H suffering with injury and so Seb C coming into the team. On arrival this was clearly a step up in quality with team competing from Wilsons, Hampton, Whitgift, Kings College Wimbledon, Olaves, Coombe and Harris Crystal Palace. In our first round we faced a very strong Kings team who went on to win the regional cup tournament. The CBSC lads did not let this affect them however, and took this as motivation to go on and beat Harris Crystal Palace in the semi-finals and King College Wimbledon to secure the Plate championships. Well done to all the boys involved in both rounds of the competition.

YEAR 9

Head of Year: Mr Norton
Pastoral Support Officer: Mrs Howard
Leadershipyear09@carshaltonboys.org

Dear parents, carers, students,

As we move through an exciting term, it's wonderful to see the dedication and effort our students are putting into their activities and studies. Here's a glimpse into some of the fantastic things happening at our school.

"Twist"!

Last week, our school production of *Twist* lit up the stage, and we couldn't be prouder of the Year 9 students who brought the show to life. A special shoutout goes to the following students for their outstanding performances:

- Zakarias C,
- Alex GS,
- Brandon P,
- Charlie R,
- Lewis T,
- Caiden T,
- Harry T,
- Ronnie W.

From heartfelt moments to captivating scenes, these students showcased incredible talent, dedication, and teamwork. They truly embodied the spirit of the production and made it a night to remember for everyone who attended. Well done to all involved!

Year 9: Rising to the Challenge

Our Year 9 students have embarked on their GCSE journey with enthusiasm and determination. They are diving into both their core subjects and their chosen specialisms, setting a strong foundation for the years ahead.

The early signs are incredibly positive, with lots of hard work already evident across the board. Teachers have been impressed by their engagement, focus, and the quality of work being produced. It's fantastic to see their curiosity and commitment shining through.

We encourage all our Year 9 students to keep up this great momentum as they continue to build their skills and confidence. Remember, your hard work now is paving the way for future success!

YEAR 9

Head of Year: Mr Norton
Pastoral Support Officer: Mrs Howard
Leadershipyear09@carshaltonboys.org

Sporting Success

Our Year 9 students have had an incredible term filled with sporting achievements. The Year 9 football team continues to impress, building on their strengths and showcasing teamwork and skill with every match. Their commitment and drive are commendable, and we look forward to seeing how they progress in the new year.

In cross-country, we are proud to celebrate the remarkable achievements of Ethan Rushton, Caleb Rushton, and Alex Vento, who qualified for both the Surrey Championships and the London Youth Games. Their performances at the local Borough competition were outstanding, earning 2nd, 5th, and 12th places respectively. Well done to these talented athletes for representing our school with pride and excellence!

Thank You to Year 9

We extend our heartfelt gratitude to all Year 9 students for their continued hard work, both in their studies and extracurricular activities. Your dedication and effort set a wonderful example for the entire school community.

Season's Greetings from the Year 9 Leadership Team

As we wrap up an eventful and successful term, the Year 9 leadership team would like to wish everyone a merry Christmas and a happy new year.

Here's to another term of growth, achievements, and unforgettable memories in 2025.

Mr Norton and Mrs Howard

YEAR 10

Head of Year: Mr Szeider
Pastoral Support Officer: Miss McLellan
LeadershipYear10@carshaltonboys.org

What a term it's been! The first term of Year 10 GCSEs has certainly tested your focus, dedication, and resilience. We couldn't be more proud of how you've all risen to the challenge. As we move into the next term, remember that we're here for you, supporting you every step of the way over the next two years.

If you're happy with your start to Year 10 and how you've managed your time with the increasing workload, that's great. But if you feel things could improve, there's still plenty of time to make positive changes. The key to that progress starts now. Use the time ahead to reach out to your friends, your teachers, and keep those lines of communication open. We are all here to support your GCSE journey and ensure that we improve your life chances.

As the new year approaches, take some time to reset and set realistic goals for the months ahead. Remember, it's all about progress, not perfection — steady, consistent improvement is what matters most. The next term won't be easy, but it will be crucial in preparing you for your GCSEs. Some sacrifices, like cutting back on Gaming, social media, and ensuring a good sleeping routine, may be needed to stay on track and achieve your goals. Stay focused, stay determined, and remember that it will all be worth it in the end. Let's come back in January stronger and ready to go!

Enjoy a well-deserved and relaxing Christmas break with your family and loved ones.

Mr Szeider & Miss McLellan

Y10-11 Roast Dinner Food Tech Practical

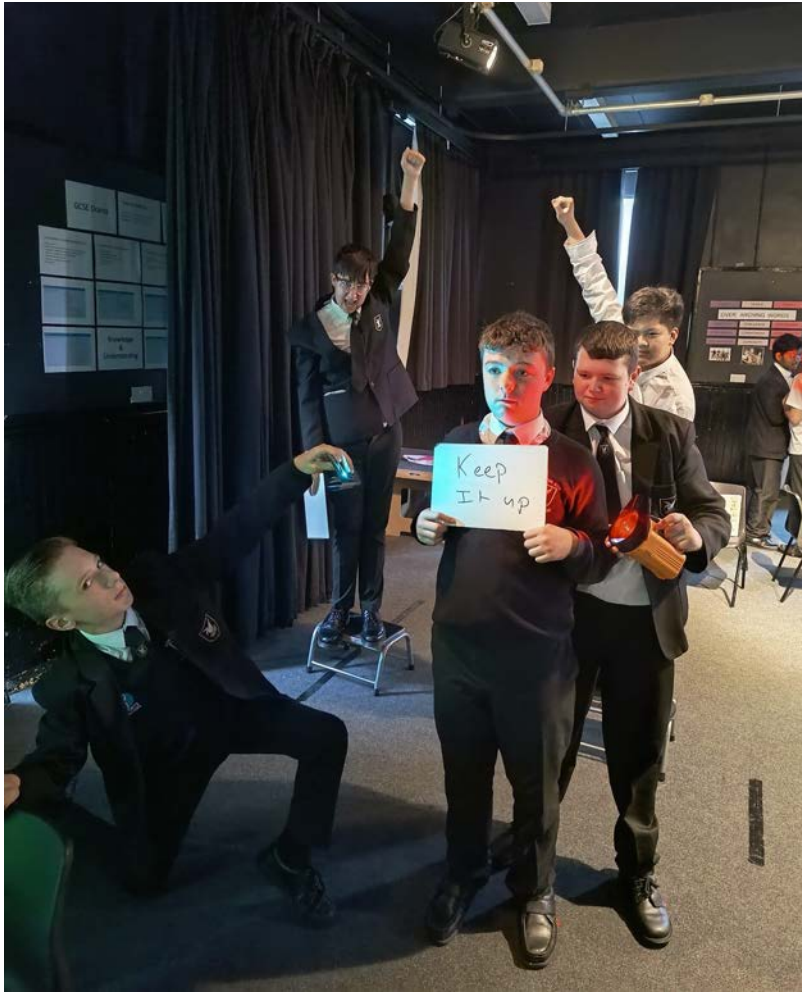

Drama Practicals

YEAR 10

Head of Year: Mr Szeider
Pastoral Support Officer: Miss McLellan
LeadershipYear10@carshaltonboys.org

YEAR 11

Head of Year: Miss Torpey
Pastoral Support Officer: Ms Garcia & Miss Ellen
LeadershipYear10@carshaltonboys.org

What a term it's been! The first term of Year 11, alongside mock exams, has truly tested your focus, dedication, and resilience. We couldn't be more proud of how you've all managed to rise to the challenge. As we head into the next term, please remember that we're all here for you — we are on your team, supporting you every step of the way.

If you're happy with your mock results, fantastic! If not, don't worry — there's still plenty of time to make positive changes, but the key to that change starts now. Use the time ahead to lean on your friends, your teachers, and to keep those lines of communication open.

A couple of important reminders: Make sure you've applied for your post-16 destinations, whether that's college or sixth form. And as we approach the new year, take time to reset and set achievable targets for the months ahead. Remember, we're looking for progress, not perfection — it's about steady, consistent improvement!

The term ahead will not be easy, but it's the final stretch. Some sacrifices (like less Xbox or social media) will be necessary to stay on track and achieve your goals. Stay focused, stay determined, and remember that it will all be worth it in the end. Let's come back in January strong and ready to go!

You've got this — we believe in you!

Year 11 Results Day
Thursday 21st August 2025
Times TBC

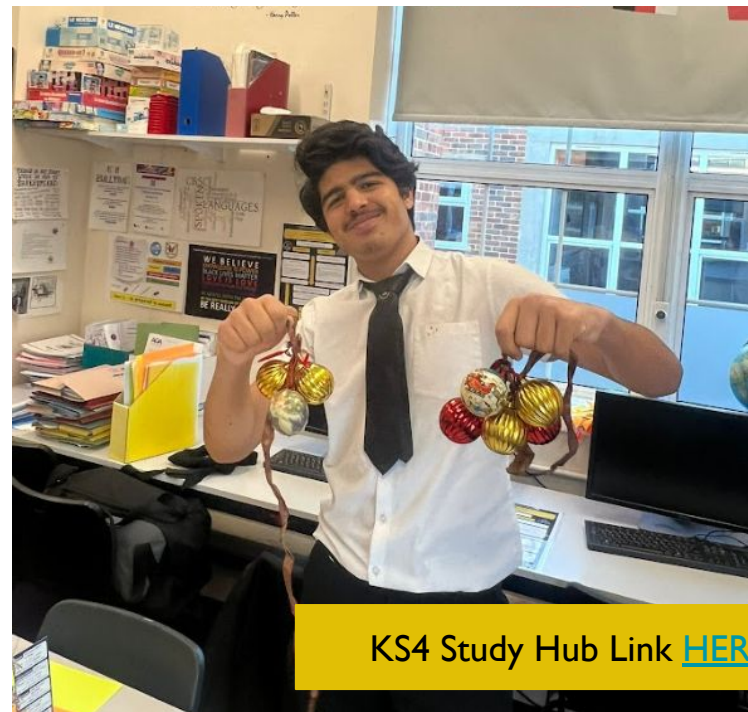

Results will be available for collection from school in person times TBC on **THURSDAY 21st AUGUST 2025**.

UNCLAIMED RESULTS will be posted to your home address.

If you wish for someone else to collect your results, we must have the nominated person in writing, signed by the child. Students can hand this to the exams team

Please make sure that the school office has the correct address. 6th form enrolment interviews take place shortly after this, details TBC

We will update any changes on the News Page on the Website [HERE](#)

Year 12

UCAS

Pastoral Update

It has been an amazing start to term for our Y12 students who have adapted amazingly well to their new way of working and/or surroundings. Having been part of our biggest intake ever at this point the students have formed many positive relationships with their peers and staff allowing them to thrive in their various courses.

Throughout PSHE sessions we have looked at topics such as Healthy Eating, Managing Stress (very important with the upcoming mock exams in January) as well as Alcohol & Staying Safe.

One of major drives this term is linked to the Christmas appeals and this year we have worked with Sutton Nightwatch, The London Ambulance Service & our local RWW Toy Appeal. The work of our students at the 6th Form POWER meetings and delivery of messages to the lower school has been amazing. We have over 50 shoe boxes along with bags and bags of toys, gifts, books, puzzles, pens and much much more.

The beginning of next term sees a series of internal mock exams as well as some initial public examinations. If students require any support please ask them to come and see the pastoral team.

Y13 UCAS update & Future Pathways

Congratulations to our year 13 students who have been working on hard on their university applications this term. Over 80 students have sent their applications and many have received offers and interviews. Four students have had interviews with Oxford and Cambridge. Students have applied for a range of courses such as Law, Sports Journalism, History, Chemical engineering, construction management, fashion management and a wide range of other courses. Students have also applied to a wide range of universities from the north to the south including many of our partner universities such as Kingston, St Mary's, Sussex and Reading. It is an exciting time as offers come in and they focus on getting the grades they need for their next steps.

Additional congratulations to two of our year 13 students who have already gained fantastic apprenticeships for after their studies. One student has achieved a Bright-start Higher Degree Apprenticeship programme with Deloitte and another has achieved a place as a Level 3 Paralegal Apprentice with the South London Legal Partnership. Both of them have been through a long set of interviews and selection activities and both are delighted with their new roles. We are very proud of them.

Leadershipsixthform@carshaltonboys.org

Year 13

Pastoral Update

It has been a busy start to term for our Y13 students who have adapted to mock exams, UCAS applications, job interviews, driving tests, social events, university visits and so much more. Having been reminded several times that it is a particularly short academic year the reality is now settling in and the response has been amazing.

Throughout PSHE sessions we have looked at topics such as UCAS, job applications, online reputations and mental health support.

One of major drives this term is linked to the Christmas appeals and this year we have worked with Sutton Nightwatch, The London Ambulance Service & our local RWW Toy Appeal. The work of our students at the 6th Form POWER meetings and delivery of messages to the lower school has been amazing. We have over 50 shoe boxes along with bags and bags of toys, gifts, books, puzzles, pens and much much more.

The beginning of next term sees a series of public examinations for various subjects as well as further internal mock exams in February. If students require any support please ask them to come and see the pastoral team.

It was really nice to see such a high turn out at parents evening and thank you for the continual support for the school and our students.

Sixth Form Results Day Thursday 14th August 2025 Times TBC

GCE – A Level Results will be available for collection from school in person times TBC on THURSDAY 14th AUGUST 2024

GCE – AS Level Results will be available for collection from school in person times TBC on THURSDAY 14th AUGUST 2024

UNCLAIMED RESULTS will be posted to your home address You should receive them on FRIDAY 15th August

Please make sure that the school office has the correct address

Year 13 transition consultation may be required with 6th Form Team, between 14th August (all day) and 15th August (until 1pm) The 6th form team will be available to provide UCAS support & guidance

We will update any changes on the News Page on the Website [HERE](#)

Y7 Kingston University Trip

Year 7 students got the chance to learn about life in higher education at Kingston University this November. Students learned from student ambassadors about courses, life at uni, and how universities differ from secondary schools. Students also went on a scavenger hunt around the Kingston campus and finally were able to work in teams to create their own universities. Students learned so much about university in a fun way and loved the opportunity to be creative.

Y8 St. Mary's University Trip

Year 8 students explored university life in more depth at St. Mary's university – imagining how they would be involved in student life, thinking about budgeting, and exploring the pros and cons to living on campus. Students also got a campus tour from knowledgeable student ambassadors and finally experienced a Christmas-themed law lecture. Many students said that the law taster was their favourite part and that they were really impressed by the sports and IT facilities at St. Mary's.

KS5 AimHigher Trip

APigott@carshaltonboys.org

Roehampton University Trip

In November a small group of year 12s visited Roehampton University. During their visit, they had a general talk about University life, and what to expect, and played a game of University dingbats. They then had a tour of the campus and its beautiful grounds, learning a little bit about its history and the various courses it has to offer.

After having their lunch in the cafeteria student cafeteria, they could choose to take part in a workshop on Education, run by tutors from the primary Education department. Alternatively they could choose a taster session on Food and Nutrition where they learnt the importance of a balanced diet, and how to divide our food into different categories. They really enjoyed a quiz on where in the world some of our food comes from, which was a challenge with some of the more unusual produce.

Many of the student came away feeling inspired and wanting to find out more about their course.

Year Group Achievements

Below is the top 10 conduct points (Achievement - Behaviours points) for each year group. These students also have 0 behaviour points.

Year 7

Top Conduct Points

- Arjun A 84
- Muhammad A 73
- Alex K 73
- Evan BT 70
- Isaac DL 70
- Adam M 67
- Athavan S 67

Sparx Maths

Head of Dept. Joanne Lambert
jlambert@carshaltonboys.org

Celebrating Success & Offering Support

We're excited to share the fantastic progress our students are making with **Sparx Maths**, the platform we use for homework and independent learning! Over the summer holiday, many of our students showed outstanding commitment to their studies. We're proud to highlight the **Top Ten Summer Holiday Sparx Achievers**, listed in the table below.

In November, we also saw amazing efforts, with some students standing out for their dedication. Check out the **Top November Sparx Students** in the tables below, and don't forget to see their names displayed proudly on the **Sparx Board** in the maths corridor.

Remember, completing your WOTC is vital for improving your skills. If you need help or just a quiet space to work, join us in **M12** during lunch any day of the week. Our excellent A-level mathematicians are there to support you with any questions or challenges.

Well done to everyone who's been working hard on Sparx Maths! Let's keep the momentum going!

Sparx Maths

Students earn XP by completing tasks in their Sparx Homework.

For each homework type, the maximum amount students can earn is:

Compulsory: 420 XP

XP Boost: 405 XP

Target: 135 XP

Additionally, students can earn 20 XP per Independent Learning task they complete.

Students reach a new Sparx Level every 1,000 XP.

Reading at CBSC

Lead: Joseph Kelly
JKelly@carshaltonboys.org

KS3 Leaderboard

Sparx Reader

This Autumn, pupils have continued to embrace the power of Reading at CBSC, with students reading more than ever before.

Huge thank you to parents and carers who are supporting their children with reading at home. It can be a tough balancing act, but we know that reading is the number one indicator of student success, both in school and afterwards.

Just 10-minutes of reading a day can help to build habits and develop comprehension and focus, with students who prioritise reading seeing the biggest benefit in the long run.

If you have any questions about how to encourage your child to read (or about Sparx Reader) please contact jkelly@carshaltonboys.org.

Top Readers - Autumn Term

First Name	Reg Group	Hours of careful reading (This Term)	TOTAL SRP (This Term)
Ephraim	07A	78	47,075

Matteo	10M	8	4,800

Students have completed
10,280 hours
of careful reading this term in Sparx Reader. Great effort!

Students have read
3,208 books
this term in Sparx Reader. Amazing!

KNOWLEDGE IS POWER

Reading at home this holiday...

Encourage reading at home this holiday!

Reading for pleasure is not only a source of enjoyment but also a crucial factor in academic success and personal development.

By fostering a love of reading at home, you can significantly contribute to your child's educational journey and help bridge the inequality gap in education. This guide provides some practical tips and strategies to encourage children to read for pleasure.

1. Set a Reading-Friendly Environment

Create a comfortable reading environment. Set up a cozy reading nook or designated space at home where your child can relax and focus on reading without distractions.

2. Lead by Example

Children often imitate their parents' behaviours, so let them see you engaging in reading regularly. Be a role model by reading books, magazines, or newspapers in their presence. Discuss what you've read and share interesting stories or facts, showing them how reading can be enjoyable and enriching.

3. Encourage Book Choices

Allow your child to choose their own reading materials but help them to find books related to their hobbies and passions. Let them explore different genres, such as fiction, non-fiction, fantasy, mystery, or biographies. Visit the library together or take them to a bookshop to help them discover stories that capture their interest.

4. Make Reading a Routine

Establish a consistent reading routine at home. Set aside a specific time each day for reading, whether it's before bedtime, during meals, or after school. Make it a non-negotiable activity and ensure everyone in the family is engaged in their reading time. Encourage your child to read outside of books as well. This can include reading recipes while cooking, instructions for DIY projects, or even subtitles while watching movies or TV shows. Consistency is key to maintaining their reading habit!

5. Discuss & Share

Engage in conversations about the books your child is reading. Ask open-ended questions about the plot, characters, and their opinions. Encourage them to share their favourite passages or memorable quotes. Opening up discussions will improve comprehension and deepen their love of reading.

6. Explore Digital Reading

Incorporate technology into reading experiences by utilising e-books, audiobooks, or reading apps – including *Sparx Reader* and *Sora* (CBSC's online library). Many digital platforms provide access to a wide range of reading materials, making it convenient for students to explore and access their favourite books at home

7. Sparx Reading Challenge

Setting up reading challenges or goals can foster a sense of accomplishment and inspire children to read more. Motivate your child by getting them to compete in the CBSC Summer Reading Challenge. The TOP 10 pupils across the school will win a **Golden Fast Pass**, allowing them to skip the queue for the whole of September!

Our goal is to create a positive reading culture (both at school and at home) where reading is seen as a fun and valuable activity. Check out the *National Literacy Trust* website for more information.

Access to ebooks has a positive impact on children's reading attitudes – particularly for boys! ([NLT, 2015](#))

Check out our FREE online library on **Sora** for a fantastic collection of diverse and exciting texts - from this year's award winners; to motivational reads; to a wide selection of magazines. [There's something for everyone!](#)

DK YOUTH THEATRE

£10 PER LESSON

"My drama class gave me the confidence and life skills that I needed to apply to my dream university. Each class was full of fun, professional drama activities and I made many friends along the way. I could always be myself and I never felt judged."
- YOUTH THEATRE STUDENT

YOUTH THEATRE

Our 1-hour weekly youth theatre classes are designed to build confidence in 12-18 year-olds through drama techniques. This includes spontaneous improvisation, mini scripts, theatre games, radio plays, monologues, and structured scenes.

NO AUDITION REQUIRED!

With over 44 years of experience, our specially trained teachers and curriculum can help **develop public speaking skills** to help students feel **empowered in educational and social aspects of life**. Working within a structured curriculum, our students develop public speaking skills, **improve their self-esteem and confidence**, as well as **fostering enthusiasm and a positive approach to life**.

Our Youth Theatre groups also provide a relaxed space to make friends, try new things, and have fun!
