

Carshalton Boys Sports College

Year 8

Work Outside the Classroom

Spring Term 2025

Week Commencing 6 January 2025

Subject	Task
Art	NB: Classes may be at slightly different stages of the topic Van Gogh Sunflower drawing and mark-making exercise
Computing	Google forms test on Von neumann Architecture
Drama	Complete the 'Noughts and Crosses' character profile worksheets shared on Google Classroom.
English	<ul style="list-style-type: none"> • Sparx 600SRP • Flip learning: Shakespeare research
French	<p>Write and practise 5 flashcards on the topic of opinion of free time activities.</p> <p>Online tasks assigned on Sentence Builders (opinion on free time) www.sentencebuilders.com</p>
Mathematics	<p>All Maths work outside the classroom will be assigned on Sparx. The specific topics will vary each week depending on the class, aligning with what teachers are covering in lessons and adapted continuously throughout the term to suit the students' progress. Following assessments, students will also be given intervention tasks to complete, which may be assigned as Work Outside the Classroom (WOTC). Additionally, there will be consolidation tasks on Sparx tailored to each student's needs, focusing on topics bespoke to their individual learning journey.</p> <p>All Sparx work should be completed in books, with the date clearly written at the top of each piece of work. Sparx codes should also be recorded in the margins to ensure clarity and organization. This approach supports both accountability and effective learning habits.</p> <p>For pupils requiring further support, WOTC Club is available every lunchtime in M12, providing a helpful space for guidance and assistance.</p> <p>This information can be found on Bromcom weekly with due dates. Class teachers will also share topic lists for the fortnightly assessments—while this is not compulsory WOTC, it is highly recommended as a guide to support effective revision.</p>
Music	Music WOTC menu tasks Year 8 WOTC Menu Summer Term.pptx - Google Slides
PE	<p>Complete the google classroom quiz from the lessons area of study.</p> <p>Complete the revision task set on google classroom of completion of a revision card or memory mat on the area studied within the lesson.</p>
PRE	<p>Non-compulsory homework. Recommended tasks:</p> <ul style="list-style-type: none"> - Create: Make flash cards that will help you to remember the key points you've learnt in your lessons i.e. key words, key people, key dates/places, etc. - Research: Go online and take time to look into a new Philosophical, Religious or Ethical topic i.e. Animal Rights, Gender Rights, Terrorism, War, a new religion etc. - Discuss: Using the skill of critical thinking, take time to discuss the new topic i.e. with your sibling in your bedroom, with your family around the dinner table etc.
Science	Every week pupils will be given consolidation tasks for sciences. Pupils must refer to their specific class code and use 'Carousel' to ensure that they complete all tasks assigned.
Spanish	Write and practise 5 flashcards on the topic of opinion of free time activities.

	Online tasks assigned on Sentence Builders (opinion on free time) www.sentencebuilders.com
Technology Rotation	<p>Construction: WOTC 1: Quiztube 12: Making diecast furniture handles. Watch the clip and answer the quiz questions</p> <p>Engineering: WOTC 1: TOPIC: Alloys, Composites & Smart Materials Reading, highlighting, mind maps and revision cards and complete the Alloys, Composites</p> <p>Product Design: WOTC 1: Electronic Systems, material properties, material sources and extraction. Read pages 2-4 and then complete the Electronic Systems, material properties, material sources</p> <p>Food Studies: WOTC 1 Revision of Health and Safety, knife skills, and the 4Cs. Upload revision and then complete the test</p> <p>Digital Media: WOTC 1 Complete the slides assigned in google classroom to identify and explain key terminology and then apply by annotating set film posters.</p> <p>Subject 6</p>

Week Commencing 13 January 2025	
Subject	Task
Art	Hand in Van Gogh Sunflower drawing
Computing	Google forms test on Von neumann Architecture
Drama	Complete the 'Noughts and Crosses' character profile worksheets shared on Google Classroom.

French	Online tasks assigned on Sentence Builders and Language Gym (general revision of SBs 1- 6). www.sentencebuilders.com www.languagegym.com
Geography	<p>Reading activity on plate tectonics with comprehension questions.</p> <p>Using the maps to explain the evidence of continental drift.</p>
History	Complete the revision sheet in depth and detail in preparation for your 8.2.2 assessment. Full instructions are provided on the sheet, and it is also on google classroom for you. The sheet must be brought to the start of the assessment lesson.
Mathematics	<p>All Maths work outside the classroom will be assigned on Sparx. The specific topics will vary each week depending on the class, aligning with what teachers are covering in lessons and adapted continuously throughout the term to suit the students' progress. Following assessments, students will also be given intervention tasks to complete, which may be assigned as Work Outside the Classroom (WOTC). Additionally, there will be consolidation tasks on Sparx tailored to each student's needs, focusing on topics bespoke to their individual learning journey.</p> <p>All Sparx work should be completed in books, with the date clearly written at the top of each piece of work. Sparx codes should also be recorded in the margins to ensure clarity and organization. This approach supports both accountability and effective learning habits.</p> <p>For pupils requiring further support, WOTC Club is available every lunchtime in M12, providing a helpful space for guidance and assistance.</p> <p>This information can be found on Bromcom weekly with due dates. Class teachers will also share topic lists for the fortnightly assessments—while this is not compulsory WOTC, it is highly recommended as a guide to support effective revision.</p>
Music	Music Menu Tasks - 3 to complete before the end of term
PE	In the sporting area currently being studied continue to practise the core skills that have been covered in lessons. This can be done in your garden or at a local park. This can be completed with a family member or friend.
