### Statement of intent

Our objective is to improve the life chances of all young people who attend Carshalton Boys Sports College. The focus of our pupil premium strategy has been to support this work through improving teaching and learning, providing universal access to technology outside of the classroom, reviewing and improving the quality of SEND provision and improving the attendance of our disadvantaged young people who fall below our target of 96%.

By 2019, we had made significant progress in a number of these areas and we were closing the gap between disadvantaged and other pupils, however in 2019-20 the gap widened significantly, and although it reduced in 2020-21 it is still larger than it was pre-pandemic. It is our view that disruption to learning caused by the pandemic was the significant contributing factor to this issue. In our plan for 2022-25 and beyond we are focusing on doing this through:

- Improving behaviour and reducing exclusions
- Improving attendance
- Ensuring that all pupils are able to read at a level that will enable to access an age appropriate curriculum
- Providing high quality tuition to support those whose outcomes are below expectations
- Improving teaching & learning, with a focus on ensuring that there is appropriate challenge in all classes on the most able pupils

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Improving behaviour and reducing exclusions
2	Improving attendance
3	Ensuring that all pupils are able to read at a level that will enable to access an age appropriate curriculum
4	Providing high quality tuition to support those whose outcomes are below expectations
5	Improving teaching & learning, with a focus on ensuring that there is appropriate challenge in all classes on the most able pupils

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
PP attendance improves	PP attendance gap reduces over scope of this plan
	PP suspensions no higher than non-PP students
	Achieve national average for attainment for PP students
	Achieve top quartile for progress made by disadvantaged pupils amongst similar schools

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

## Part B: Review of outcomes in the previous academic year

### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2022 to 2023 academic year.

#### **1. Improving behaviour and reducing suspensions/exclusions**

PP suspensions 70

However, PP students still disproportionately represented in the number of suspensions

#### **2. Improving attendance**

PP attendance 2023/24 85.4%

PP attendance still well below whole school attendance

#### **3. Ensuring that all pupils are able to read at a level that will enable to access an age appropriate curriculum**

To early to assess impact of these strategies

#### **4. Providing high quality tuition to support those whose outcomes are below expectations**

Gap between PP and whole cohort 5+E/M has narrowed from 19% to 11%  
Progress of PP students still well below that of whole school and national

#### **5. Improving teaching & learning, with a focus on ensuring that there is appropriate challenge in all classes on the most able pupils**

Lesson observations have demonstrated improvements in the quality of teaching & learning, particularly PP more able
