

# Carshalton Boys Sports College

18 March 2020

Dear Parent/Carer

Just a short update for you today.

Yesterday, packs of work were posted home to all students in Years 7, 9 and 10. Work for Year 8 and Year 11 students will be posted out today. In addition, students in Years 10-13 will be able to access daily lesson resources and revision activities via Show My Homework and Google Drive.

This work is designed for students to complete if they have to go into self-isolation, or in the event of a partial or full school closure. Students still attending school should not start these activities yet!

Although we have a number of staff now self-isolating, with reduced pupil numbers we feel that we are still able to run the school safely and effectively for pupils in all year groups, so there are no partial closures planned for this week. It does mean that some students are having to work independently (with teacher supervision) in the hall or other large spaces for periods of the school day. I would like to take this opportunity to let you know that student's behaviour during these times has been exceptional, we are very proud of their response in such extraordinary times.

Each day we do have some students developing symptoms that may require them to be sent home in line with government guidelines. We appreciate your support in the event that this has to happen. If you are aware that your contact details have changed and you have not let us know please can you email up to date information through to [contact@carshaltonboys.org](mailto:contact@carshaltonboys.org).

Once again thank you for all of your kind messages of support. I will write to you again tomorrow with any further information/developments.

Best wishes.

Yours sincerely

Simon Barber  
Principal
